Race Preview: Dowser appreciated being back on the poly as he won his comeback race giving useful Ice Kingdom 3.5kg. He can make further improvement. Mr Pigalle won the last time he raced on this surface and subsequently held form well on the turf in stronger races. There is only 1kg between the pair and it could get close. Maximus is hard to peg back once in front and could get away again but Grimaldi and Dowser can both press the pace and it won't be easy. Immeasurable beat much weaker last time but had his confidence boosted and could be right there again. More can earn.

Race Preview: Reckless Love won her penultimate on the Polytrack in style and ran a fair race when switching to the turf last time. She may bounce back to top on the poly even if having to navigate a wide draw. Fashionigma was beaten four lengths by the former on the poly but it was an encouraging effort and she is 2.5kg better off so could make a race of it this time. You Deserve It made a form return after a rating dropped and finished ahead of Reckless Love. She now has a 1.5kg claim and could confirm if not needing the run after a break. Bay Breeze and Dilluh should be right there.

Race Preview: Forward Spell had a tough time upcountry making respiratory noise. He is back to the track on which he scored his last win and could make a winning return if over his affliction. It is a wide-open race. Lucretius could be well placed. He has run two good races in a row and loves this course and distance. Zakho took a while to get going last time but is coming along the right way and could be looking for the distance. Corsican appears better than his first post-maiden outing and could show a bit more this time. Stabmate Barbatti, American Dream and Lord Minver are not out of it either.

Race Preview: Morgan La Fay is by Rafeef and could appreciate the step to 1400m. A merit-rating drop will also help. Royal Kitty is the specialist and will be ridden by Keagan de Melo. However, she is racing after a rest and may just need it. Hatta is in top form and was clear second best in a race where she took on males. She could confirm the strength of that form. Birdwatcher is holding form and has drawn well but needs a good pace. She's Not Easy appears capable.

Race Preview: Preemptive Strike has run with stronger and last time had the worst of the draws. He now has a plum gate and could make it count. Quiz Master didn't enjoy racing on turf and could bounce back on the poly. He has draw No 1 and races for a new yard. Agressivo didn't do badly from the widest stall last time out and may try different tactics. He could get closer. Allaroundtheworld ran a fair race in his first post-maiden outing. Quick Star is also capable of making a bold bid.

SOUTH AFRICA GREYVILLE (POLY TRACK)

2000m triangular-shaped circuit.

All races clockwise round turn with 400m run-in.

Low-number draws are preferable, especially at 1600m.
