12 Mia's Athena			

Race Preview: African Beat (3) has not missed a cheque in her five starts and has been a close-up second at her last two. There are a number of well-bred first timers in the race but Mike Miller's charge could get it right this time around. **Jane's Vision** (15) started a long odds on debut but caught the eye when staying on from a wide draw. Michael Roberts is never on to rush his two-year-olds and this filly should come on lengths from that effort. **Mia's Athena** (12) has started favourite in both starts. She took on males last time out and only weakened late. She can make amends. The betting should be a good guide.

Race Preview: Icy Blast (1) is the only winner in the race and has come good in blinkers. Vaughan Marshall's runner rates the one to beat. **Let The Flag Fly** (5) was never in the hunt against winners last start when trying further from a bad draw. He has shown up well on this course. **Goosebumps** (2) took on a competitive maiden field last start and was not far back. He meets weaker here. **Splendid Fella** (6) has shown good pace and has not been far back. He gets a 4kg claimer up and is not out of it.

Race Preview: Fibonacci (5) arrived in KZN off some fair Cape form and started favourite in his local debut. He finished close-up in third but more was expected of him and he tries first time blinkers. **Ninety Nine Heros** (1) raced green in the soft when making his debut in feature company. Watch for solid improvement. **Nelson Bay** (12) has the widest draw to overcome but improved nicely over course and distance when touched off for third when taking on winners. **Winter Frolic** (10) who raced green from a wide draw on debut and can make the required improvement with Keagan de Melo aboard.

Race Preview: Power Star (9) has made good improvement in blinkers and goes well this trip. He gets 1.5kg relief from the saddle courtesy of Rachel Venniker and that could be enough to see him out of the maidens. **Trusova** (5) made a smart debut at long odds when taking on winners over course and distance. He does take on older runners but obviously has ability and is up against some modest opposition. **Flaming Drum** (4) was a beaten short-priced favourite last time out and looks well held by **Power Star** on that showing. **Player X** (6) has not been far back in two starts and can improve enough to run into the money.

Race Preview: Mythical Tune (4) is limited but is a hard knocker. She is in modest company here and can finally get it right although there are a number of possible improvers in the line-up. Two-year-old **Bosnay** (6) made good improvement second timeout for Darryl Moore and **Theappleofmyeye** (9) race green on debut but comes from a very much in form stable. **St Cloud** (1) has been lightly raced but did show marked improvement last time out. She is one to keep an eye on in the betting.

Race Preview: Sean Tarry's filly **October Fair** (3) comes off a comfortable Highveld win over the distance and Keagan de Melo stays with the ride which is a point in her favour. **Lucky Miss** (2) is always game and was not far back in a tough sprint last time out, a distance short of her best. She will much prefer this trip and from a good draw must have a strong chance. **Alphabetty** (5) has a touch of class and was not far back against some useful opposition in the Cape. **Fabulous** (1) has not been far back on the poly at her last two but her two wins have come on the turf. She has a handy weight and will be a strong contender.

He has shown up well in both starts and from a good draw he should have every chance. **Radicchio** (12) is a recent maiden winner but the form has worked out well. He enjoyed the extra of his last start and the extra furlong should be right up his alley. **Professor Snape** (2) may just have needed his first local outing. He is likely to improve and can turn the tables. **Release Me** (11) was the ham in the sandwich between **Aurora Storm** and **Professor Snape** and is another that comes strongly into the picture.
