Race Preview: Paul Lafferty was confident that **The Ghost** (2) would run a good race on debut and but for racing green she could have pulled it off. She gets another chance here and can go one better. The Mike Miller-trained **Magical View** (6) has had the benefit of experience with two starts under her girth. She was staying on nicely last run behind a Highveld raider. **Icy Lancaster** (8) found some market support on debut but raced green. She should come on from that. **Sea Salt** (7) returns from a lengthy break but looks to be the stable second choice.

Race Preview: **Ethereal View** (7) is the choice of stable rider Tristan Godden and goes the turn for the first time but has consistent form down the straight. She could face stiff opposition from **Grand Occasion** (4) who started at long odds for Michael Roberts on debut. She is sure to have come on from that run. **Extraction** (8) was a touch disappointing last run after an improve previous effort. However, that was her first run after a break and Richard Fourie rides. **I Won't Give Up** (9) raced green on debut and should come on from that run.

Race Preview: On paper Louise Goosen's filly **Emerald Green** (3) looks held by both **Sweet Julia** (6) and **Head Girl** (4) both finishing in front of her last time out. However, **Emerald Green**, blinkered for the first time, only arrived on the scene late and with Richard Fourie staying aboard the tables may be turned. **Sweet Julia** was also running on nicely so must be a big runner but favourite **Head Girl** was running on empty late. However, that race was on the poly and the switch to turf could suit her better. **Magic Maverick** (7) showed some improvement second time out and now sports blinkers.

Race Preview: **Run To Rio** (10) has drawn a little wide but has improved in two starts with blinkers and was close-up on both occasions. The extra furlong should suit. **Captain Marsala** (13) has not been out of the money since racing in blinkers but has drawn widest of all. He does look held by **Run To Rio** on their previous meeting but should still be competitive. **Gorgeous Dude** (4) has been a late starter but improved nicely on his debut effort over course and distance. **Spelling Bee** (9) makes his local debut for Dean Kannemeyer coming off some fair Cape Town form. Andre Nel's filly **Rafeef's Choice** (8) shoulders top weight but has been in good form since returning from a break and she has her third run after a rest. **Fort J'adore** (9) has been consistent and goes well this trip. She should be right there for Wendy Whitehead who's stable is in good form. **Miss Gibson** (10) has the worst of the draw but goes very well for Nicholas Patel and she can finish in the money again. Richard Fourie stays with recent maiden winner **Questo E Quello** (6) who was not far back in her handicap debut and has improved in blinkers.

Tony Rivalland has always rated **Coin Spinner** (2) as a useful sprinter and has engaged Richard Fourie for the ride. This is his best trip. **Khanyisa Indlela** (4) is seldom far back and goes well over course and distance. He did well from a tough draw last time out on the poly. **Tobacconist** (2) does not appear to like the poly so his last run is possibly best ignored.
