**Race Preview:** Miss Platina (5) was much improved first time out for Tienie Prinsloo. The filly is only having her fourth start, second for the stable, and the extra furlong should suit. Accumulate (10) has the worst of the draw but was staying on for third last time out and Richard Fourie stays with the ride. Sweet Julia (3) found market support on her poly debut and finished a close-up second. A repeat can see her close again. Madame Pompadour (7) has been frustrating to follow and is way better than her recent form would suggest.

**Race Preview:** Roy's Command (7) is no slouch on his day and as an older horse Paul Gadsby has declared blinkers for the first time. He was a close-up third last time out and has been improving. Quick Star (3) has had two sprint-ups since a lay-off with an inexperienced apprentice aboard. He is up in trip with Jame Lihaba in the irons so one can expect a much improved effort. Farland (9) took on much stronger when winning last time out but does have a wide draw and a five-point ride in the handicap to contend with. Khanyisa Indlela (10) best recent form has been on the turf but he has also done well on the poly.

	4 Banzai Pipeline	35%	1:45.84

**Race Preview:** Love Bomb (5) has had no luck in the handicap. Just when she appears to be off a competitive mark, she finishes second and the handicappers panic and shunt her up the ratings. She got three pounds for her second behind Red Roses Too but that may not be enough to stop her from a deserved fifth victory. The lightly race Le Premiere (2) has run her two best races on the poly and is better off in the weights with both Vision Of Will (4) and Kennedy (8) on their last meeting. She has the benefit of a better draw and Rachel Venniker's 1.5kg allowance could make all the difference.

**Race Preview:** Now I Got You (1) has improved with his new stable and has his third outing for Nathan Kotzen. He has been dropping off a once impossibly high rating and had the worst of the draw last time out. He has now drawn pole and the extra furlong should suit. Patronage (2) is never far off them and goes well on this surface while Time Together (3) was a close-up second when taking on stronger last time out and 4kg claimer Brevan Plaattjes improves with each ride. The Gliding Fish (7) is back on his favourite surface and is better than his last two on the turf.

**Race Preview:** Mexican Pete (5) has been racing in feature company of late and is back in the handicap divisions. He has a fair rating to contend with. Winter Games (2) was in need of his last run where Mike Miller had him in blinkers for the first time. The blinkers come off and he steps up to what may well prove to be a more suitable trip. Banzai Pipeline (4) goes well over course and distance and Sean Veale will find it hard going to make 52kg which may be an indication of the gelding's chances. Pirate Prince (1) has the best of the draw and is smart on his day but he has not been out since November last year.

**Race Preview:** Quabi (8) was a beaten favourite over course and distance last time out but Richard Fourie has stayed loyal to Wendy Whiteheads filly. Quabi finished behind Miss Lialah (3) when last they met but Miss Lialah is now 4kg worse off which should be enough to turn the tables. Star Choice (4) has come good for Frank Robinson, winning her last two but she did get a five-point rise in the handicap which could scupper her chances here. Dollar A Dime (7) has her third run back from a break and has come down in the handicap so is one to keep an eye on.

## SOUTH AFRICA GREYVILLE (POLY TRACK)
