He is back to a sprint and can feature in this field. Mike Miller has given a qualified assessment of Record High (4) and is expecting a good effort. Check the market support on this one. Bomber Stream (3) looks held on current form but has gone close on occasion.

**Race Preview:** Savantrix (7) returns from a lengthy break and makes his local debut on the poly. He has come down in the ratings but has some fair form in smart company. If not in need of the run he should be hard to beat. Strawberry Stinger (2) shed his maiden over course and distance last season. He lost his way back in the Cape but showed signs of a form return last time out. Winter Waves (4) is never far back but drops to 1200m. He has a light weight and goes well on the poly. Music Is Life (8) has some fair recent form and was not far back over course and distance last time out. He has a money chance.

**Race Preview:** San Marzano (8) was caught late by Tom's Act last time out and is now 1kg better off in the handicap He should be able to turn the tables but there is not likely to be much in it. Tom's Act (4) finished strongly to collar San Marzano when last they met and a repeat of his finishing burst could see him go back-to-back. National Dream (6) was in need of his last run after returning from a lengthy break. He may still need another outing but is fully capable on his best form. Tin Cup (7) is another that comes out of the Tom's Act form finishing less than a length behind and is also better off with the winner.

**Race Preview:** Madison Valley (1) had it tough from a wide draw last time out. He put in two smart efforts in first time blinkers prior to that and from the best of the draw he should feature prominently. Riccardo (2) was only three lengths back to Hollywoodbets Durban July entries Flag Man and The Grey King last time out. His last win was over course and distance. Send Me (7) makes his poly debut but was a touch disappointing last run at Hollywoodbets Scottsville. The blinkers are back on along with Richard Fourie. Master Of Destiny (8) was running on late last start in soft ground.

**Race Preview:** Pretty Analia (3) is something of a poly specialist and goes well over course and distance. She is due a second win with S'Manga Khumalo staying aboard. Green Valkyrie (5) made a promising debut for her new stable and did have some fair Cape form prior to that. Of concern is that the stable has not had a winner in a long time although things do appear to be improving. Green Valkyrie could break the ice. Purple Flower (7) showed up well first run out of the maidens and the form of her maiden win has been franked. Drive By (10) has a wide draw but has shown up well in her last two poly outings.

**Race Preview:** Political Party (1) has been taking on stronger at recent outings on the turf. He is down in class from the best of the draw and could give high-riding Richard Fourie a winner to round off his meeting. Count Marsh (11) has the widest draw to contend with but is a poly specialist and goes well this distance. Bally Magic (5) has come well at recent outings over course and distance. He has a handy galloping weight and should feature. Space Cowboy (6) is coming along the right way and was finishing strongly last time out. The extra furlong should suit.

**Race Preview:** Cyber Time (3) has been holding form well and was only four lengths off Flagman and The Grey King from a wide draw last time out. He had consistent form prior to that and goes well over this trip. Dynalley (4) showed up well last run and the step up in trip should suit. Blackberry Malt (5) showed signs of coming to hand again when just over two lengths behind the winner. He has his third local run since arriving from the Cape and the stable is in good form of late. Kumemori (6) was given a hefty eight-point hit in the handicap which may have put paid to his winning chances here.
