**Race Preview:** Princess Goldie (1) has shown promise in her two starts on the turf but the switch to the poly from a favourable draw can see her home. Head Girl (4) has had plenty of chances but is never too far back and goes well on the poly. Andre Nel's filly should have her place in the sun one day soon. Yadav Singh saddles Chakpori (7) who has been much improved on the poly, her best run being over course and distance. She can feature in this small field.

	6 Arverni Princess 5%	4 Happy Analia 17%	2 Emerald Green 0:57.60

**Race Preview:** War Empress (1) has been contesting higher handicaps on the turf and the switch to poly could be in her favour in this event. Sweet Julia (3) had no luck from a wide draw last start and Alyson Wright's filly should go close for her second win. Grey Fantasy (7) has her third run after a start and showed improved form at her second start. She makes her poly debut but should strip at her peak. Emerald Green (2) goes well on the poly and from a favourable draw should be competitive.

**Race Preview:** Star Of The Future (1) is lightly raced and has his third run after a break. He was a narrowly beaten third when tried over ground for the first time and if he takes to the poly he could be difficult to beat in this line-up. Gimmethgoodlife (4) has improved in two starts. He was well supported in the market at his last outing over 1200m and the step up in trip could bring out the best. Lightningfork (6) made good improvement last run over 2300m and the field could all be chasing as Naidoo likes his runners to go forward. Fortune Hunter (8) shows some promise after only two starts and has a money chance.

**Race Preview:** Mr Hotstepper (6) was withdrawn on last Sunday run. He shoulders top weight here but the form of his two races have held up well and if racing fit should make a strong claim. King Bavarian (2) current form is solid and with a handy galloping weight he should feature again. Porfirio (4) goes very well on the poly and stays the trip. The stable appear to have hit some form and at best will make a race of it for Kom Naidoo. Wave Warrior (8) has been knocking at the door for some time now and with a 2.5kg claimer aboard he too should be competitive.

**Race Preview:** Summer Song (3) appeared to have been in need of her last run behind Kisshoten (1) and should come on with that run. Andre Nel's mare is now 3.5kg better off in the handicap taking Rachel Venniker's allowance into consideration and if fit and well, Summer Song looks the part. Green Valkyrie (7) was in that same race, finishing second to Kisshoten, beaten less than a length. She is now 1kg better off so there should not be much between the two again. Doctor's Orders (5) is back on her favourite surface and cannot be left out of any calculations.

**Race Preview:** Knight Warrior (1) last win was over course and distance and he ran a smart race behind the rejuvenated Future Flo last time. He has the best of the draw and with Dennis Bosch at the tip of his game which is a big plus. 2.5kg claiming apprentice Nirvan Nastili for Ibutho (4), one of her three runners in the race. Stable companions Voldemort (2) and Winter Waves (3) are both in with chances and there should be very little between them and Dean Kannemeyer's pair of Savantrix (9) and Bugalugs (8) with all four having met last time out with little more than a length between them.

**Race Preview:** Mr Master Starter (3) has done well after running two smart races in Pinnacle events at his last two outings. He having a better draw this time around and should be competitive. Mr Henley (5) brought his A-game to the races and won rather well. Kabelo Matsunyane stays with the ride and could repeat home again. William Rufus (8) was the lesser fancied of the Kannemeyer pairing when last he ran and was touched off by the useful Rivalland-trained Strathclyde. Connery (1) is unbeaten in two since arriving from the Cape and has the benefit of a 2.5kg claimer aboard.

**Race Preview:** Lou Lou The Legend (10) having the widest drawn but has been costly to follow with bottom weight over his optimum course and distance. He has a strong chance in this line-up. Stevie Gee (3) has useful form over course and distance and is never far back. With some luck in running he can make it all the way. Purple Powahouse (2) has been consistent of late although possibly better over a furlong shorter. Phaka Imali (1) is consistent and Gary Rich does well with these older runners. The gelding has the best of the draw and is not out of it.
