Race Preview: Whatastar is much better than her recent run in the Cape Slipper behind Military Command, she drops back in trip now to 1000m and she gets the blinkers fitted, watch for a massive performance from this well-bred filly. She's My World has been rested for 81 days, she has only had two runs to date, and both those runs were really good, if she doesn't need the run badly on Wednesday afternoon, she will be right there in the finish. Inside Voice finished her race off really well on debut, she was terribly green early and then stayed on strongly late behind Amen Corner, she can only improve from that performance, include her into all bets. Love Her Madly has been rested for 95 days, she is a lot better than her recent run behind Music Of The Night, she could easily trouble them in the finish, watch her closely.

Race Preview: Day In Day Out ran well on debut, he stayed on strongly to the finish just over three lengths behind Military Command, he should improve tons from that performance, include him into all bets. Rhydian is interesting, he has been rested for a long time and he has been gelded, he has run behind some very nice horses through his career, this will be on the short side for him, but he could be very hard to beat if he doesn't need the run badly. Ocean Sky ran a fair race on debut behind Dawn's Early Light, it wasn't a strong Maiden Plate, but he was green and caught the eye late, he should improve nicely from that run, include him into your play. Klein Karoo has been rested for 67 days, on his best form, he could sneak into the places.

Race Preview: Sun Dazed finished like a train last time behind Mont Loisir, he was a long way back in running and stayed on strongly for second, he has tumbled in the ratings, with the right run in transit here, he will be very competitive again. Trippi's Silk was very disappointing behind Tambourine Man on the 8th of March, he can be a tricky customer on his day, if the race works out for him and he gets the cover needed early, he will be dangerous in the finish. Tambourine Man is in great form, his last two wins have been impressive, despite him going up in the ratings, he needs to be respected in this tricky race. True Horizon is as honest as they come, she tries hard, she should be amongst the places again.

Race Preview: **Captain's Destiny** has been rested for 67 days, her last two runs have been excellent, she needs some cover early and then she comes with a storming finish late, there is no doubt that she will be competitive. **Tanneron** ran a cracking second last time behind **Pilot Flame**, she is in good form at the moment and must be included into all bets. **Pilot Flame** was given a top ride by Jockey Richard Fourie on the 8th of March at Hollywoodbets Durbanville, she fought hard all the way to the line and managed to beat **Tanneron** in a driving finish, even though she was given two points for that win, she must have a good winning chance again. **Miraculous** has run two very good races from wide draws in her last two starts, the yard thinks highly of this filly, the drop in trip is no problem at all, she must be respected.

Race Preview: **Wehaveasituation** finally got it right last time, she was a long way back in running, and she absolutely took off late to win going away, now that she has the confidence, she could go on from here and win again. **Beer With The Boys** never runs a bad race, he stayed on well for second behind My Bestie on the 26th of February, he drops in trip for this Class D stakes and he gets a good draw, if the weight doesn't catch him out, he will be right there in the finish. **Mohandas** has been rested for 70 days, he ran a much better race on the 5th of February, if he can back that performance up on Wednesday, he could certainly earn again for the connections. **Summer Night City** is much better than her recent run behind Lavender Bay, with the apprentice taking off 4kgs, she could bounce back to best.

Race Preview: **Electric Feels** won a super race at Hollywoodbets Durbanville on the 22nd of March, she was given four points for that victory, she needs a particular ride, if she gets the cover early, she will be storming home late, at this level, she will always have a good winning chance. **Country Time** has improved nicely in her last two starts, now that she races back up the straight at Hollywoodbets Kenilworth, and she gets 4kgs off her back from the apprentice, she will be right there in the finish. **Gravity** stayed on well for third behind **Electric Feels** on the 22nd of March, the blinkers have been removed, on his best form, he could certainly remain competitive and must be respected. **Over The Atlantic** showed massive improvement to run a good race last time, if she can back that performance up, she could win a race like this.

Race Preview: **Chasingtherainbow** absolutely flew home to win a good race on the 8th of March at Hollywoodbets Durbanville, it was the first time in his career that he was tried over some ground, he will love the extra 200m here, he is still improving, he will go very close to winning again. **Hoodia** ran a fair race from a wide draw behind Okavango on the 5th of March, from a decent draw, he should get the perfect run with no excuses, include him into all bet types. **Touchdown** moved up like a winner in his last start, he travelled well and just found an improving three year old too strong on the day, if he can beat the draw, he will have a good each way chance. **Heal And Soul** made up good ground from a long way back last time, he should enjoy the 1600m trip, watch him closely.
