Race Preview: Inexperience seems to have cost **Barolo** in both her starts so far. She should go one better this time. **Dream Team** was a couple of lengths behind that rival last time out and will need to improve to beat her but can play a minor role. **Golden Croc** tries the Polytrack and could show improvement after fair first two runs. **Silvan Mistress** is probably looking for further but should be right there at the finish once again. **Vino Rioja** makes her debut and could earn some money.

Race Preview: **Clever Candy** showed good improvement when a close-up third on local debut. She may need further than this to be seen at her best but can win this time around. **Grand Allegro** was clearly too far back last time and did well to finish as close to the winner as he did. He should be very competitive yet again. **World Soprano** did not show his best last time but is not out of it. **Brooksider** is capable of getting in the mix of things as well. **American Pitbull** and **Alado's Habit** are also capable of earning some money.

Race Preview: **Greenlight Legend** backed out the stalls at the worst possible moment and a false start was decided. She has won full of running in two local starts on the turf and can score again if as good on this surface. **Bosnay** is clearly unreliable but was only run out of it late last time and does have a winning chance. **Lanciafiamme** bounced back from some dismal performances with a good run last time out and can get involved with the finish. **Pisces** and **Mister Whistle** are both in good shape and can earn some more money.

Race Preview: Trainer Alan Greeff has a very strong hand in this race. Jockey Richard Fourie sticks with **Whatever Next** but it is **Masked Vigilante** who gets the preference. He has been at his very best on the Polytrack and is suited to this course and distance. **Whatever Next** is not an easy ride these days but should fight it out again. **Dubai Hills** is in good form and would not be a surprise winner for Greeff. **King's Ransom** is not reliable but can get into the mix of things this time. **Swiss Walt** has improved of late and is another to consider, as well as **Silvonian**.

Rival trainer Gavin Smith has **Charlie Malone** who ran on well to win his latest start and **Globetonic**, who is also in good form and quite capable of winning again.
