Race Preview: Stone Of Scone improved with an introductory run under her belt to finish 2nd over track and trip last time so she rates the one to beat with further progress expected. Winter Belle, Amaze Me and Midnight Miracle should also have more to offer. However, a bigger threat to the selection could come from well-bred newcomers Amazonian, Chantilly Dream, Sistership and Surprise Party. Watch the betting for clues and follow the market movers!

Race Preview: Fiery Rose can be confidently backed to open her account. She outran market expectations when finishing 2nd over track and trip on debut before confirming that promise with another runners-up finish last time. A repeat of either performance, even against older male rivals, should suffice. Returning Green Cherry, unexposed Silver Longsword, debutant Lannyboy and newcomer Titan Of The Turf could give the selection most to fear.

Race Preview: Wise Counsel showed signs of inexperience on debut but she did catch the eye once the penny had dropped, staying on to finish a creditable 5th over 1000m in a winners' race against male opposition. She would have come on appreciably with the benefit of that experience so her progress could be worth following. Genovefa, Master's Lady and Season's Greetings will likely make their presence felt, especially if building on the improvement they showed last time out. Betting support for newcomers Queensland, Surreal Song or Windsor Silk must be respected.

Race Preview: Rodeo Drive has been sparingly raced as a 3yo after a productive 2yo campaign that included a 2nd at Grade 1 level. Predominantly feature-raced since, she remains open to improvement and is worth siding with on her handicap debut, even against older hard-knocking male rivals. Top-weights **Cosmic Star** and **Sheldon** have the form and experience to pose a threat, though the same could be said of lightly raced stablemate **Chieftain** who also has room to improve. Fillies **Troppo Veloce** and speedy **One Fell Swoop** are not taken lightly, while **Halberdier** is capable of a surprise.

Race Preview: Ceuta confirmed the improvement of 2 previous outings by winning last time. She copped a 7-point penalty for that career-best performance but on the evidence of that victory, that may not be enough to prevent her from winning again. Francine, Miss Hannigan and Glamorous Lady have the form and experience to play leading roles too, while reuniting with Piere Strydom (under whom she is unbeaten) could bring about a more competitive showing from Queen Of Love. There were valid excuses for the disappointing showing from Blind Ambition last time so she should not be overlooked either.

Race Preview: Princess Ilaria has finished 2nd in consecutive recent starts at a higher level so this drop in class, even off a higher mark, ought to bring about a return to winning ways. Boom Boom and Quantum are closely matched on these terms after a recent 1600m on the Inside track. Both will have a say in the outcome if reproducing similar performances. Last-start maiden winner Cape Saffron remains open to improvement and she could be leniently treated under 55kg on her handicap debut. Godspeed appeals most of the remainder.

Race Preview: Phala Millions whose recent form and consistency at this level will be rewarded sooner rather than later. Ensuing (backed last time), Gimme A Storm, Si Veloce and Circus Lights are all held by that rival on recent form. Bregardt resurfaced on the Polytrack last time - finished ahead of both Mariachi Madness and Prized Platinum - but needs to confirm that improvement back on turf to make his presence felt. Tokyo Medaglia remains open to improvement and has performed well over track and trip, so he must be respected.
