**Race Preview:** Golden Grey is a hard horse to win with but he is consistent and he should make a bold bid at beating these rivals. Bomber Bay tends to lack a strong finish but can get involved with the finish yet again. Fizzly Bubbly only tired late last time out and should be right there at the finish. Genteel is only modest but she is consistent on the Polytrack and can also make the frame.

**Race Preview:** Just For U has shown improvement of late and could be ready to score. Winter's Dragon showed improvement and was not far behind that rival last time out so should contest the finish. Midnight Music and Bezonder have both run their best races on this surface so are clearly not out of it. Oh Mandy and Fantasy Girl both seem better than their last run and could earn some more money.

**Race Preview:** See You In A Bit is course and distance suited and could get the run of the race from a good draw. Tintamarre makes his local debut and tries the Polytrack so can be included in all permutations. Thing Called Love likes this surface and is not out of it. Wordsworth is in good form and would not be a surprise winner. Notorix, Cruzador and Ravilius are others that are quite capable of winning a race like this.

Miss Prior likes this course and distance and has a place chance. String Of Lights is in good form and could contest the finish. Sweet Julia ran well on local debut and could go one better. Swiss Paradise has won over this track and trip and could upset. Piton De Neige is threatening a second win.

Brooksider is better than his last run would suggest and can contest the finish. American Pitbull is battling to win a race but does have a place chance. Night In Japan makes her local debut after a change of trainers and could improve. Opera Verse remains in good shape and is not out of it. Star Trooper could play a minor role or better.

A Bit Chilly is in good form and can be competitive again. King's Sailor runs on Friday 27 June and that run will need to be looked. King Rahul as well. Guarding The Wall is not reliable but is capable of winning. Mister Whistle and Arividicio are two others that have shown enough form of late that they can also be involved with the finish.

Get It Done did not show her best last time out but has a place chance. Lady Zultanite, Three Cheers and Darling Harbour are all in good form and capable of earning some more money.
