Race Preview: Trainer Johan Janse van Vuuren normally saves his better horses to debut at this track so **Top Division** might well be good enough to win on debut. Jockey Gavin Lerena is carded to ride him so he should be fit and ready for this. **Master's Lady** ran well on debut but she was a huge price which indicates a surprise run from her. **Alesian Beau** has been unreliable but is capable of contesting the finish. **Jet Querari** could play a minor role. **Bumps Last Grind** changed trainers since some fair runs at Fairview and could be a threat.

Race Preview: **Hawksdale** showed promise on her debut earlier this month and should have more to offer. **Hurricane Power** was not disgraced on debut and should show vast improvement. **Summer Winter** has shown improvement of late and should fight out the finish. **Bilingual** is consistent and is clearly not out of it. **Misty Metal** should do better over this distance. **Far Beyond** ran well on debut but flopped last time out.

Race Preview: Trainer Candice Dawson could have a good meeting and **Waiting On Charlie** looks likely to step up on what she has shown so far. She has needed her last two runs and looks set for a big performance. **Asiah's Tiara** is better than what she has been showing of late and can contest the finish. **Miss Takes** is drawn wide but is not out of it. **Trip To States** is battling to win a race but could play a minor role. **Parabellum** returns from a break and is capable of improvement. **Sasha Lee** can contest the finish again.

Glamorous Lady is consistent and can be involved with the finish again. Play With Fire is in good form and should run from a good draw. Future Date is consistent but might need this run returning from a break. Warning Sound was no match for Gregarious last time out but can turn the tables if getting a clean run. Nkandla Gold is not well drawn but has a place chance. Phantom Express is well drawn and should fight out the finish. Lonely As A Cloud has some fair form and should be competitive in this line-up. Inafix remains in good shape and is another to consider.
