**Race Preview:** Nothing Cooler (4) raced green in a fair debut at long odds. She is likely to come on from that run and meets little of note. Flying South (6) comes from a very much in form stable. She was a well beaten third last run but may just have needed it. Moscow Miss (3) finish a neck ahead of Flying South when last they met but the 4kg claimer has been replaced by Andrew Fortune. Raceway (5) disappointed last run after a much improved previous effort. Any market support must be respected.

**Race Preview:** Visiting Time Will Tell (2) has been knocking on the door for some time now. She goes well over this trip and has first time blinkers. Alyson Wright has three lively runners, best of which could be Captain Clever (8) he was much improved when having his first run back after a lengthy break. He was on the poly from a wide draw and now gets 4kg relief from the saddle. Stable companion Gorgeous Bomb (1) was a close-up second over course and distance and has yet to run a bad race. She gets the services of stable rider Athandwiwe Mgudlwa. K M V Retrofit (10) has the widest draw but has shown up well at her last two and can feature.

Cherry Oh Baby (4) had excuses last run but has been costly to follow. She gets first time blinkers and may be worth one more chance. Fascination (2) has not been too far back in her two outings to date. The step up in trip should suit. Visiting Concordia (5) has modest form to date but has found market support in the past. She gets first time blinkers and can surprise.

**Race Preview:** Numzaan (7) has a big weight but Serino Moodley is back in the irons and he has a strong chance. Gripen (8) was a beaten favourite in his local debut behind White Seahorse. He is still a maiden and makes his poly debut but does look good enough to go close again. Dawn Surprise (9) has consistent form over shorter but may now prefer this extended trip. Viva De Janeiro (2) has been dropping in the handicap but has consistent Highveld form. The switch to poly could bring out the best.

Stable companion Gurkha (5) took a walk in the market last run but did have a wide draw and did not get the rub of the green in the race. He can do better here. Shoefella (10) has joint top weight and a wide draw to contend with but has done well against stronger and should feature. Our Lady Fate (4) takes on males but possibly just needed her last run. Clinton Binda saddles a pair, but with similar form. Prized Platinum (5) has shown up well in KZN and could prove the pick although Kabelo Matsunyane stays with Mariachi Madness (4). Hippocrates (3) has a big weight but is a poly specialist and jumps from a plum gate. Fate Of Fortune (2) comes off a lengthy break but has solid poly form. One to watch in the market.

The switch to first time poly could bring out the best in the six-year-old. Gorgeous Guy (8) has been close-up in all of his recent starts. He goes well this trip and the poly should suit. Super Fast (2) goes well this trip and shows good form in blinkers. He gets on well with his apprentice rider and from a good draw he should be right there again. Veteran Preemptive Strike (4) is always dangerous on the poly and can feature at best.
