**Race Preview:** Marketa ran a lovely race behind Inside Voice on the 25th of May at Hollywoodbets Kenilworth, she jumped out the gates smartly, showed any amount of speed early, and then stayed on for third, this doesn't look to be the strongest maiden juvenile plate on paper, on her current form, she must have a good winning chance. Spirit was gelded on the 29th of April, the yard thinks highly of this individual, he has run some fair races behind nice horses, he will be right there in the finish, include him into all bets. Day In Day Out was gelded on the 22nd of April, he was very disappointing last time behind Green Planet, if he can put that run behind him, he could easily finish in the money. The Roaring Rock ran a decent race behind Churchillian on the 6th of May, the form of that race has worked out well, watch him closely at a decent price.

**Race Preview:** Match That must have a big winning chance in this field, her last run in the Grade 3 Winter Nursery behind Dreamworld was an absolute cracker, she is talented, and she is still improving with racing, on her best form, she will be very hard to beat. Paralegal has run some fair races to date, she ran just under five lengths behind She's My World on the 4th of May at Hollywoodbets Kenilworth, Brevan Plaatjies takes off 2.5kgs, she must have a good place chance in this field. Sports Fan won a good race in PE on the 9th of May, her form is solid, if she can build on that last performance, and she travels well from PE to Cape Town, she could certainly earn some money for the connections. Watch the first timers closely here, and watch the market as well, it's going to be a good race.
