**Race Preview:** Wing Walker (9) has the widest draw but the strongest form. He should be difficult to beat. Higher Love (1) has the best of the draw and has shown up nicely in two recent starts over course and distance. He could prove a threat. Intro (2) has his first run for Kom Naidoo. His highveld form has been over further but he races in first timer blinkers. Cowdray Park (3) is a bit of a difficult customer at the gate and was a well-beaten fourth last time out.

**Race Preview:** Gorgeous Bomb (4) was a close-up third behind Papillon Blu at her penultimate start and met stronger last time out. She should feature prominently with first time blinkers. Fantasy League (6) made sudden improvement last run behind Papillon Blu who has since won again. She is 0.5kg better off with Gorgeous Bomb. Di Rosa (7) is struggling but never far back. She has fair form on the poly. K M V Retrofit (3) is way better than her poly debut but Di Rosa looks to be the stable elect.

**Race Preview:** Purple Flower (8) has her first run for Gary Rich. She has been rested but has smart poly form and if near her best should run a big race in this line-up. Quentasia (2) ran below best last run after winning her penultimate start over course and distance. She has been in good form of late. Drive By (5) is always dangerous, so too Blush Of Dawn (4) who both on their day have strong winning chances.

**Race Preview:** Garth Puller could hold the key. He has booked Richard Fourie for Fine Wine (10) who made a late start to her career. She has the widest draw to contend with but looks to be progressive. Puller also saddles Canyoudothehula (2) who started at long odds last time out but was closing fast on Cherry Oh Baby. She only has 50.5kg to shoulder and appears to like the poly. Line In The Sky (7) has shown some improvement in blinkers and on the poly. She has a smart apprentice on board claiming 1.5kg. Splash Of Love (6) takes on older horses but has not been far back in her last two and should have more to come.

**Race Preview:** Spectacular (2) is still a maiden but comes off some useful Cape form which generally proves superior to KZN form. He gets a smart 4kg claimer aboard. Galaxy Explorer (7) improved last run under a light weight but likely to take to the poly and could prove to be good value. Shiny Bob (5) has been knocking at the door for his second win. He goes well on the poly and has an experienced apprentice aboard. Count Marsh (8) has the widest draw but has a light weight and enjoys the poly.

**Race Preview:** Master Bomber (9) has run two smart races on the poly wearing blinkers. He stays the trip and is still progressive. Gurkha (7) was doing his best work late when taking to the poly for the first time. On that showing, this trip should suit. My Boy Lollipop (6) was a game winner last run when stepped up in trip. He goes further now but Richard Fourie has stayed with the ride. Papa C (4) is never far back and has been dropping in the handicap. The switch to the poly could bring out the best.

**Race Preview:** Prince Florian (3) was a recent maiden winner on the poly when dropped to a sprint. He is up a furlong here but he appears to have revealed on the surface and can follow up in a modest line-up. Star Of The Future (5) made good improvement first up on the poly. That form has held up and a repeat will see him close again. Moola Man (7) has his first run for a new stable and may have needed his last run on the Highveld after returning from a break. Gavin Lerena knows him well but he could prove better over a touch further. Mister Nibbles (9) was close-up under a big weight last run when making his poly debut. He has not been far back in any of his recent outings.

**Race Preview:** Rooster Bradshaw (6) has been knocking at the door since his maiden win. This trip suits and he should put in another forward showing. Victor Hugo (8) was a recent maiden winner but this was a fair field. He enjoyed the poly, will go the extra furlong and Gavin Lerena stays with the ride. Now I Got You (7) has been reunited with apprentice Brevan Plaatjies. Nathan Kotzen's charge goes the extra furlong but has a light weight. The grey Voldemort (5) is over his favourite course and distance and will be a threat on his best showing.
