**Race Preview:** Garden Sun was found to be not striding out when a disappointing fifth. He tries even further this time. He was in good form before that. Incendiary should like this longer distance and could show vast improvement. Global Scene made good late progress last time so should like this distance. Sempre Bella improved on the Polytrack but could have more to offer. Cosmic Cliffs showed some improvement and is another that can contest the finish.

**Race Preview:** More was expected from Beach Queen but she appeared to hate the Polytrack. She is better than that run suggests and can bounce back to beat these rivals. Genteel is not reliable but can contest the finish. Amanatto needed the last run on the Polytrack and should be a threat back on the grass. Just For U is holding form and is clearly not out of it. Battle Of Britain did not show on the Polytrack and could surprise on the turf.

**Race Preview:** Mr Fox seemed to be undone by a slow pace last time. He was very impressive in his penultimate start which was on the grass and he can bounce back to score. Dowser put in a very good effort last time and can contest the finish again. Laguna Verde has not shown his best form of late but is capable of better. Green Mandarin has been unlucky twice in a row and looks likely to contest the finish this time. Haarlem is in good form and would not be a surprise winner.

**Race Preview:** Red William is in good shape. He was a winner when last on the grass and can win again. Alado's Pride and George Handel are both coming off improved performances and could be ready to score. Twilight Bay made all to be a very easy winner last time out and could have more to offer. Cheerful Charlie B only tired last time and his yard is in good form so he might earn some money. Courageous is rarely too far behind and can get involved with the finish again.

**Race Preview:** Dubai Hills has been good on the Polytrack of late and has also won on the turf. Forest Spy has been consistent all of this year so would not be a surprise winner. King's Ransom and Song Of Myself both seem better than their last runs. Whatever Next and Masked Vigilante are also capable of winning a race like this over a track and distance that suits them.

**Race Preview:** King Prawn showed improvement when quickening nicely late last time. He does have stable jockey Richard Fourie in the irons and that suggests he may be the strongest Alan Greeff-trained entrant for this race. Ready is decent and continues to improve so could make all. Arlu was not disgraced last time and could like this distance. Barolo seems a lot better than her last run and could be the surprise package. Royal City Girl and Star Of Elena have both hinted they have ability and are worth considering.

**Race Preview:** Happy Holly has been a bitter disappointment of late but it could be worth ignoring her last run on a soft track. Sweetie Darling has won her last two starts and there have been winners out of both those races. Three Rocks has not shown her best of late but is capable of an upset. Stable companion Ellorix has been consistent and is clearly not out of it. Gimme's Lassie is track-and-distance suited so should fight out the finish. Red Sash has been better over further of late but could play a minor role.

**Race Preview:** Winter Warfare did not show his form in a feature race last time and could be better than rated. Beechamwood Boy is threatening to win a race for trainer Alan Greeff. Imaginable was an easy winner on local debut and could have more to offer. Sweet And True and My Ami Beach are both course and distance suited. New Mexico, Vegas Hi Rise and Mighty Mac all make their local debuts and would not be surprise winners. Silvery Surfer showed some improvement and could also go one better.
