Race Preview: Well-bred **Queensland** outran market expectations when finishing 2nd on debut over track and trip. She would've benefited from that experience and with any improvement could go one better. **Force Publique** and **Umzingeli Wenyathi** have shown enough to make their presence felt and they should acquit themselves competitively. Newcomers **Clever Trevor**, **Au Revoir Tanya**, **Rifle Queen**, **Memphis** and **Matts Rocket** are all respected on debut, especially if the market speaks in their favour. Watch the betting!

Race Preview: Well-related **Sistership** caught the eye on debut when a fast-finishing 2nd over track and trip, despite drifting in the betting and suffering interference at the start. She would've come on appreciably with that experience and it should pay to follow her progress. **Vamanos** hasn't been seen since making her debut in March but she was fancied that day so is respected on her reappearance. **Gaslight Dancer** was a game-in-defeat 3rd over this course and distance last time in open company so she should have a role to play if confirming that improvement. Imported debutante **Stormy Day (arg)** shouldn't be underestimated.

Race Preview: **Magical Place** ran a cracker on debut and with natural improvement, should be hard to beat. **Sardinia Bay** improved at the second run and has to be respected for all bets - strong each way chance. **Warofdynamite** with weight off can earn and **World Champion** can improve to get closer.

Race Preview: **Chieftain** beat several re-opposing rivals over this course and distance when an authoritative winner of a similar event last time. He carries a 3-point penalty for that success but is progressive and could improve sufficiently to confirm his superiority over his familiar foes, despite the unfavourable weight turnarounds. Stablemate **Cosmic Star** and speedy **One Fell Swoop** should pose more of a threat on these terms. Hard-knockers **Sheldon**, **Halberdier** and **Warm Winter Nite** won't be far off the mark, while returning **Karate Kid** remains open to improvement and could get into the picture too.

Race Preview: Rafa Bay confirmed the promise of his Highveld introduction (3rd) with a dominant start-to-finish victory at this level over track and trip last month and with any improvement in his peak outing, the resultant 6-point penalty shouldn't halt his momentum. Dontshootherbarman, What A Tiger and Nkandla Gold are held on that form but should get closer on these terms. Tiger Storm and John Wick had excuses last time and are capable of having a say too. Last-start winners Faithful Neo and Twentytwentyvision also remain competitive under respective penalties. Nazare and Biofarmer aren't taken lightly.

Race Preview: Art Nouveau beat male rivals when winning on her handicap debut over this trip and even under a 5-point penalty, another bold showing is expected in her hat-trick bid against female-only opposition. Top-weight Teo Torriatte has improved with cheekpieces fitted and confirmed as much by winning at a higher level last time. She too races off a career-high mark but should remain competitive. Hard-knockers Elembee and I Am Regal have the form and experience at this level to play leading roles, especially off their current ratings. Wagram is better than her last run suggests and is best kept inside.

Race Preview: Last Car To Pass has made giant strides in 3 starts with this headgear configuration and the 5-point penalty for her dominant last-start success over 1600m shouldn't prevent her from making another bold bid. However, consistent Dimako's Jet has winning form at this level and has a better record over 1800m so is preferred, despite Gavin Lerena opting to ride Kisshoten. Both were beaten by It's Her Way recently but Dimako's Jet gave 3.5kg to that rival when 2nd over track and trip whereas Kisshoten received 0.5kg when 3rd over 1600m. Accept Cookies and Twostep Queen won't be far off.

	Im The Buzz 24%	5 Im The Buzz 22%	1 Miss New York 1:26.51

Race Preview: Oncidium caught the eye when trotting up in the maidens and could be anything - follow. Miss New York is never far off the action and has each way claims. Im The Buzz is taking time to win again but is running well and can place as always. Angel's Oasis has a quartet chance. Form is solid.

Race Preview: Grand Crescendo is talented but plagued with issues, so he is best watched for now. Vulcanite is the only filly in the race and one to watch on her reappearance for a new stable. Sunset Riot remains open to improvement after a disappointing (albeit much-needed) comeback run as a gelding in a KZN feature. French Bolt is also of interest after an encouraging and close-up 7th on the inside track last time. Max The Magician ran on powerfully from the rear (wide draw) to finish ahead of that rival. On the evidence of that performance, this is a good opportunity for him to bounce back to winning ways.

Race Preview: Landothersingsun has won his last two well and is confidently selected to reel off the hat trick. Captain West is holding form and should be in the first four with a winning shout. Air Raid has won two out of his last three and can continue on these ways - serious chance. San Pedro could be the place value - respect and include.

Race Preview: Open Highway whose consistency could finally be rewarded, especially given his slightly reduced mark after close-up recent finishes. Pressonregardless had legitimate excuses for his last start at a higher level and is capable of bouncing back in this grade. Youngster Nyaka Nyaka will be tested from a wide draw and against older opposition but he is open to improvement so must be respected under 54.5kg. Halcyon (trying trip), Fostinovo (backed last time), Shinto Shrine and Willow Express aren't taken lightly.

Beneath The Clouds is another searching for the hat trick and will be very competitive for it - big danger to the first choice. Take It As Red was far from disgraced last time and can get much closer - bright chance. Golden Angel must make the quartet shortlist.
