Tanzanite showed signs of inexperience on debut and should be much smarter this time. Physiologus is capable of improvement and can earn some money. Fantasy Girl is not reliable but is capable of contesting the finish. Elusive Bomba makes a local debut and could challenge for top honours. Sombreuil and Mediterraneanflame are also capable of improvement.

Away With Red has shown improvement of late and could earn some more money. American Pitbull and American Eagle are both capable of getting involved with the finish. Bugle showed some improvement last time out and has a place chance. Diamond Jim makes his debut so keep an eye on the betting.

Race Preview: El Capitan has run well without winning so far. He makes his local debut and could prove a bit better than these rivals. American Matador has some fair recent form and can get into the mix of things again. Pibe De Oro looked a bit unlucky not to win either of his last two starts but this does look a tougher race. Incendiary has some fair form and is capable of improvement. Action America is improving and should be right there at the finish.

Race Preview: Lanciafiamme is improving and was not disgraced last time out. He is a narrow choice in a competitive handicap. Strathclyde makes his local debut after a change of trainer and would not be a surprise winner. Master Forester is consistent and can get involved with finish as usual. King's Ransom is not reliable but is also not out of it. Dowser is better than his last run and has claims. Imaginable has won both his local starts and must be respected for that.

Chere For Me made late progress in her latest start and can contest the finish again. Just For U was an easy maiden winner and could be a lot better than rated. Spoil Yourself looks capable of improvement. Cosmic Cliffs has improved of late and has a place chance. Courageous has been unreliable but can play a minor role. Chroniclesofnania is capable of winning a race of this nature.
