Race Preview: Marketa easily brings in the best form into this race, she has been very consistent, the drop in trip to 1000m will definitely help her chances, she will be very hard to beat in this race. Whatastar ran a fair race on the 17th of June behind Between The Lines, if she can build on that performance, she will be amongst the places. Pennys Choice ran a cracker with the blinkers fitted last time, she is still improving with racing, on her best form, she can certainly trouble them in the finish. Alessia Asheville needed her last run badly, she could sneak into the places at best here.

Love Her Madly really enjoyed the 1400m trip on the 21st of June, she ran a great race behind Oncidium, if she can build on that performance from a good draw on Saturday, she will be right there in the money. Clouds Clearing must have a good each way chance in this race from a nice draw, she is improving with every start, include her into all bets. Wait For Me finished really well for third behind Wander Dune on the 26th of July, jockey Richard Fourie sticks with her, if she can beat the tricky draw, she will be competitive.

Promettere finished like a train last time behind Sugar Mountain, he is very honest and he tries hard, if he gets some luck in running from a tricky draw, he will be super competitive. Boundless Energy has been rested for 65 days, he ran a great race behind Arctic Wizard on the 12th of June up the straight at Hollywoodbets Kenilworth, he should appreciate the step up in trip to 1500m on Saturday, if he doesn't need the run badly, he could finish amongst the places. Ardabil has been rested for 99 days, he is very consistent, and he is still improving with racing, watch him closely here.

Race Preview: Elegant Noble won really well on the 15th of July, he was given a great ride by Brevan Plaatjies, if he has made further improvement back at home, he can certainly win again. Baton Rouge was a gutsy race with a big weight on his back last time, he stays all day, jockey Richard Fourie knows him well, even though he was given five points for his last win, he should be competitive. Ariovistus won impressively on the 21st of June, he found plenty betting support in the market, and he quickened up nicely to beat a decent field, if he brings that performance to the track again on Saturday, he will have a good winning chance. Kwite A King never runs a bad race, unfortunately the bad draw will make life tough for him, but he will be switched off early, and he will come with a big run late, watch him closely.

Golden Angel continues to slide in the ratings, she has no weight on her back, she has a good draw, and she drops in trip, there is no doubt she will be right there in the finish at a decent price. Nile The Boss has run two great races in succession, she really enjoys this trip of 1400m, from a neat draw, she must have a good place chance again. Dive Bomber ran a fair race in a big field on the 24th of June, the form of that race has worked out well, he could sneak into the Quartet.
