Race Preview: Kar Vert (FR) Comes into the race brimming with confidence having won on 14 September over 2400m at Aurillac and there is no reason why he cannot follow up. Almacado Gree (FR) A tad erratic, ignore last run, finished 3rd before that over 2400m at Beaupreau and can finish in the first four. Leading claims. Spanish Light (FR) Brings erratic but capable form into the race. Ignore last run when competing in Spain back home. Can go very close to getting it all right. Ante Alios (GER) He was 7th in Spain last time but 4th at Dax here at home before that when running over 2300m in a similar type of field. Good place chance.
