Race Preview: Guy Gibson has yet to run on the Polytrack but is weighted to win comfortably. The Africa House has lost his way of late but also tries the Polytrack and could challenge his stable companion. Coral Creek is Greeff's third runner and he does like this surface but tackles a tough field. Gavin Smith-trained Donny Tee is speedy and could try and make all. Das Gute ran well on local debut but takes on stronger. The other Smith-runners Ready and Global State are capable of making the frame.

Race Preview: Paris Lass is weighted to beat her rivals and she is right at home over this track and trip. Ellorix is also course and distance suited and will not go down without a fight. Symbol Of Love is better than her last run and she could make all the running if in the right mood. Song Of Myself has a prior engagement but is not out of it if she runs in this race instead. Kings Again won on local debut but this is a tougher race. Project Runway might play a minor role.

Race Preview: Diamond Jim bumped a very good horse on debut and was not disgraced in third. He is sure to be wiser and could be the right one. River Fern returns from a break after showing improvement when runner-up. That winner has won again and her trainer is in good form. Khichdi and Captain Clever both make their local debut and would not be surprise winners. Bandmaster is improving and can also get involved with the finish.

Little Cracker was a length behind in the same race. The latter is much better off in the handicap. Xiphos found some long-priced betting support last run. He make his poly debut and has a more experienced rider aboard. Bilingual is a long-time maiden but has shown some recent improvement in blinkers.

Blind Faith is not reliable but did show improvement last time out and can contest the finish again.

Race Preview: Greenlight Queen is down in class and was not far off last run. She is back on the poly. On Board is 2kg better off with Ilha Da Orange and their last meetings and her best recent effort has been on the poly. Kom Naidoo's mare has improved in blinkers for her new stable and all of her starts have been on the poly. She can go close from the best of the draw. Jane's Vision was a beaten favourite last run. She steps up in trip and her poly form is a little suspect.

A Bit Chilly is in good form but does tend to lack a strong finish. Back For More showed improvement last time out and could be a threat off this handicap mark. Hat Montera has shown progression of late and would not be a surprise winner. Pardon Me can also get involved with the finish.

Race Preview: Honorable Member is in good form and is weighted to win but she may have to work hard to do so. Final Try has run some nice races for trainer Alan Greeff and could get a soft lead in this line-up. James Fitzjames needed his recent runs and could improve. Key News makes his local debut and should improve. Royal City Girl tackles her elders but she has shown promise and she could run well above her merit rating so should be included in all bets.

She likes to go forward and from a good draw and a 4kg claimer up she can feature. Skipper O'malley gets first time blinkers. She makes her poly debut but has not been too far back in her six tries. Jumpthegreenlight steps up to what may be a more suitable trip.

Race Preview: Thunder Master is in good form but he does tend to race from far off the pace and always needs luck in running. Charlie Malone and Guarding The Wall are both better than their last runs would suggest and are capable of winning a race of this nature. Marshmallow likes this surface and could earn some money. Ravilious liked the return to the grass and beat a good horse last week so must be respected for that. Shampimpi showed some improvement last time out and could make the frame.

Race Preview: Princess Hannah is over her favourite course and distance and should put in another good effort. Lady Of Vix takes on stronger but has a light weight and is useful on her day. Intrepid is up in class but has bottom weight over a suitable trip. Mojo Man has shown some recent improvement and gets a stronger rider aboard.

Race Preview: Trippi T is quick but has not been out since January. His racing fitness must be taken on trust and at best he will go close again. Isikwshikwishi has been runner up at his last three and goes well this course and distance. Must be included in all bets. Preemptive Strike is a poly specialist and never far off. He can go close in this line-up. Now I Got You has drawn wide but has come good at recent outings and has a handy galloping weight.

	7 Knight Warrior 29%	2 Hippocrates 32%	6 Barry Du Grond 1:10.08

Race Preview: Mc Dazzler is not well handicapped and has let the side down on more than one occasion. However, he comes in off bottom weight and showed signs of a return to form when having his second run for his new stable. Back on poly he could be worth a tickle. Viva Spirit takes a big drop in class but from the best of the draw a rating drop and a further 1.5kg relief from the saddle he should be a big runner. Bank Street won well over course and distance last time out and can follow up. Unicorn Alert made sudden improvement last run for a new stable when back to a sprint and another change of stable could see him close again. Mvelelo is back to what looks to be a more suitable trip and can feature.
