**Race Preview:** Palancar looked an unlucky loser last time out and can go one better this time. Magnus The Good did not show his best last time. A change of trainer and blinkers added should bring him back to his best. Cadenza is a Rafeef colt who is making his debut. Watch the betting. Global Zee makes a local debut and could improve trying the Polytrack. Stand Up is in good form and can be competitive. Night In Japan is better than she has been showing of late.

**Race Preview:** Amanatto has improved with blinkers. A wide draw will not make it easy for her but she may just make all the running. White Waters makes her local debut after a change of trainers and can be a threat but she did struggle in her only run on the Polytrack. Lady Bomber is in good form and should go close to winning. Midnight Music likes this surface and can get involved with the finish. Stable companions Bird On A Wing, Priceless Treasure and Ivy all tend to lack strong finishes but are capable of earning some money.

Genteel has not been at her best of late but is quite capable of beating these rivals if in the right mood. Celtique has run her best races on the turf but is capable of winning a race of this nature. It is hard to see any of the others winning. Lady Penny showed improvement last time out and could do even better this time around.

Gimme More Time is consistent and can get into the mix of things once again but is trying the Polytrack for the first time. Dowser and Waz Wouter are clearly better than disappointing last runs. Walkonthewildside has a strong finish when in the mood and seems better over this distance. Kingdom Of Heaven is at the top of his game and can complete a hat-trick. Gold Gunner and Pedro can earn some money.
