**Race Preview:** Siriano ran a great race last time behind Viva's Liberte, he stayed on well at the finish for third, he is certainly improving with every start, from a decent draw, he should get the run of the race, he will go very close to winning. Miami Summer ran a super race on debut, he was only beaten just over six lengths by the winner, unfortunately the wide draw won't make life easy for him, but he should make good improvement into his second start, watch him closely late. Prins Jasper was gelded on the 15th of August 2025, he found lots of betting support in the market on the 13th of August when well beaten by Pomp It Up, he is much better than that poor performance, if he can beat the draw, he could finish amongst the places. Galactus needed his last run, he is well tried in the maiden ranks, on his best form, from a neat draw, he could sneak into the Quartet. Watch the first timers closely, this is not a strong race on paper, if they have ability, they can absolutely win on debut.

**Race Preview:** Gold Giboski will be very hard to beat in this race, he drops in trip, the blinkers have been fitted, and he gets the services of Richard Fourie from a good draw, he ran a lovely race last time behind a top sort, he could easily be the best bet on the card. Digby stayed on nicely for second on the 30th of August behind Magical Place, the wide draw here won't make it easy for him, but if he gets some luck in running, he should finish in the places. Meet The King was very green on debut, he was beaten just under six lengths by Nightrain, he will probably want a bit further in time as well, watch him closely, if he has made any improvement back at home, he could sneak into the places at a big price. Fox On The Run is impeccably bred, he could certainly trouble the field on debut, keep a close eye on this colt.

World First has been rested for 69 days, he is a lovely looking horse with lots of ability, if he doesn't need the run badly, and he can get some luck in running from a tricky draw, he could be dangerous in the finish. Greenchoice showed good improvement from his first run into his second run, he stayed on nicely for second last time behind Viva's Liberte, he will absolutely love the step up in trip to 1600m, include him into all bets. Set To Music has been rested for 90 days, he ran a cracker last time behind Captains Alliance, he will be doing some good work late, watch him closely.

**Race Preview:** Elusive Gift really enjoyed the step up in trip on the 27th of August, she was very gutsy in the finish when running second behind Beach Verse, the yard is in great form, and she is improving with every start, from a neat draw, she will have a massive winning chance. South Of France may be lightly raced, but she has shown glimpses of real ability, the extra distance looks tailor-made for her, if she can negate the awkward draw on Monday, she could easily win a race like this. Hazel Green has improved beautifully in her last two starts, she stayed on really well last time behind Miss William, the 1400m trip should suit her perfectly, there is no doubt she will be competitive. Sweetsummerlove might be able to sneak into the Quartet on her best form.

Shifting Path returned to form last time, he stayed on strongly for second behind African Prince on the 30th of August, even though he would appreciate 200m further, he is currently racing off a good rating of 72, and he has a good draw, he should be dangerous in the finish.
