Race Preview: Timeline may not have liked the heavy track in his recent starts. He has changed trainers since then and could improve on local debut. **Khichdi** struggled on the Polytrack on local debut and is sure to do better this time. **American Matador** is consistent and deserves a success but will it be this race. **Global Zee** could surprise returning to the turf. **American Eagle** does seem better than his recent runs and has a place chance. **Magnus The Good** lacked a strong finish on local debut but does have claims in this line-up. **Sweet Cake** needed the last run and could earn some money.

Race Preview: King Of Victory did not appear to like the soft track last time out at HWB Greyville. He was not beaten far in his previous two starts and could be better than these rivals. **Outback Express** is consistent and is due to have run on Wednesday so that run will need to have been looked at. **Celtique** seems best on the grass and can contest the finish yet again. **Welsh Starlet** is battling to win a race but can contest the finish over this course and distance. **Darling Girl** and **Lady Penny** are capable of earning some money.

Race Preview: Action America has improved of late and should make a bold bid at beating these rivals. **Two For The Boys** makes his local debut and would not be a surprise winner. **Bomber Bay** is consistent but does battle to finish off his race. **Casino King** is a lot better than what he showed last time out and can be a threat. **Bugle** has improved of late and can contest the finish. **Aethelwulf** can also be in the hunt for more minor money.

Race Preview: Green Mandarin has been trying his luck in better races than this recently and could be ready to strike. **Laguna Verde** has only been modest at this centre but is capable of an upset on best form. **Winter Emeralds** bounced back with a very easy win last week and can follow up if in the same mood. **Gold Gunner** might try start-to-finish tactics in a race like this and could be a threat. **Sun Spectacular** is not reliable but is also not out of it. **Rock Of Futura** has scope for further improvement and would not be a surprise winner.

Race Preview: **Alannah** has earned in five of her six starts, only missing out in a strong Gr2 where she was not far behind. She goes this trip for the first time but should see it out and has a light weight from a good draw. **Sign Of Fate** has been knocking on the door for some time now. She should enjoy the extra here and has a handy galloping weight. **Ice Rain** returns from a break after running unplaced in a Gr2. She has excellent form before that and is the best of the Andre Nel runners judged on jockey bookings. **Tomyris** is seldom far back and narrowly beaten last time out. She should make a bold bid.

Race Preview: **Happy Fortune** has been knocking at the door for her second win. She was narrowly beaten over course and distance last time out and with the help of Rachel Venniker's 1.5kg allowance she should make it home. **Avernian Goddess** has the best of the draw and is never far back. The step up in trip should suit. **Poursomesugaronme** is always game and never far back. The trip suits and she rates a strong winning chance. **Gorgeous Girl** has been coming to hand along with the stable and is another in with a strong chance.

Race Preview: **Dapper** has been knocking at the door for his new stable and getting closer and closer. He gets a useful 4kg claimer aboard and can finally make it home. **Run Forest Run** is lightly raced and has a wide draw but showed up well first run back from a break and looks useful. **Golden Rule** has his third run after a break and has been close-up at his last two. He should make a bold bid. **Rugger Lover** is never far back of late and goes well this trip. Her 4kg claimer will help her cause.

Race Preview: **Phutulicious** has been showing signs of coming to hand after a spell in the Cape. Last run was possibly too short and over his best trip with a 4kg claimer aboard he should at least be competitive. **Lexican Point** has been disappointing but does seem better than recent form would suggest. Down in trip with blinkers back on he could be the jockey in the pack. **Mac Hardy** has shown up nicely in two recent starts on the poly but has a strong chance in this line-up. **Beach Palace** has come well of late and was touched off last time out.

Race Preview: Hierarchy found one too good for her when returning from a break last time out. With that run under her girth she could be a hard horse to beat. Warrior Royale has had one outing since a break and was a beaten favourite on the day. She has to give plenty of weight to Hierarchy which could be her undoing. Buttercup Baby has won her last two over course and distance. She gets some relief from the saddle and should be competitive. Stable companion to Warrior Royale, Comic Relief has not been out since May and may need this run but does have a touch of class.

Race Preview: Exocet was a little disappointing first run out of the maidens given that he started a short-priced favourite. However, he was still green in the running and may be worth a second chance. Little Boy Blue has the widest draw and has not been out since the Gr1 Gold Medallion back in May. He garnered a hefty rating for finishing four lengths off the winner and it remains to be seen how he fares in his first run back. Vision To Achieve has smart form over the trip and with a 4kg claimer aboard she will be dangerous. Ayuwi Yuwi showed up well at long odds last run and has a money chance again.

Race Preview: Call Me Jane shed her maiden last start but was her first run up from the Cape with a first time tongue-tie. She looks to be the pick of the Andre Nel pairing with stable companion Tequila Sky boasting some useful recent form. Moscow Miss has useful form over the trip. She has improved in blinkers. Clickbait showed up well first run out of the maidens and can place again.
