Race Preview: Call Of The Karoo has run two great races in succession, she has the perfect draw of one on Sunday, if she can build on her recent form, she will be very hard to beat here. Ruby Rex has been rested for 145 days, she is super consistent, if she doesn't need the run badly on Sunday, she will definitely be amongst the places, include her into all bets. Crazy Little Thing ran a lovely race last time from a wide draw behind Marketa on the 3rd of September, she stayed on nicely for fourth, if she can bring that form to the races again, she will be right there in the places. Stormin Attack was well beaten on debut behind Lyrical Gangster, even though she found betting support, she never travelled early, and finished last on the 13th of September at Hollywoodbets Durbanville, hopefully she can improve and sneak into the Quartet at a decent price. Watch the first timers closely.

Race Preview: Red Wave disappointed terribly last time, he stopped badly late when finishing just over eleven lengths behind Smart Horse on the 7th of September, he now drops in trip to 1000m, and he gets a good draw, there is no doubt that he can bounce back to his best form and go very close to winning. Sicily returned to the races in great style on the 13th of September, it was his first run back after a long break, he really caught the eye late finishing quickly for second behind Lyrical Gangster, unfortunately the wide draw here will make it tough for him, but he will be running on strongly late. Caribbean Gold ran a top race on debut, she showed good speed early, and then stayed on beautifully for third on the 13th of September, she is a lovely looking filly that will improve big time, if she can beat the tricky draw, she can certainly go very close to winning. Simbine has been rested and gelded, he has been very consistent, watch him closely, if he handles the track, from a good draw, he will be competitive.

Race Preview: Scottish Kiss quickened up like a smart horse to win a good race on the 13th of September, he was given six points for that impressive win, he looks progressive and must have a good winning chance again, include him into all bets. Air Raid ran a fair race behind Jet Force on the 3rd of September at Hollywoodbets Durbanville, he was only beaten just over two lengths in a warm race, he could bounce back to his best form now that he has dropped in trip to 1250m. Oliver ran a cracker behind Scottish Kiss on the 13th of September, he ran third and was only beaten two lengths at the wire, at the weights, from a good draw, he must have a serious winning chance. Gimmelightning can never be ignored, he finished like a train for third last time behind Jet Force, on his best form, he can certainly trouble them in the finish. It's a tricky race where many have chances.

Race Preview: Amayah absolutely took off late to run a super race behind Mighty Mary on the 7th of September, she was just off the speed early, and she finished powerfully to run second, if she gets some luck in running from a tricky draw on Sunday, she can definitely win. Lady Veritas has been rested for 115 days, she ran a good race behind Ocotillo on the 12th of June, she made up good ground late for third from a long way back, from a good draw, with the apprentice taking off 4kgs, she must be respected. Nicci's Law ran a super race last time, she absolutely loved the step up in trip to 1400m, she ran third just behind Amayah on that occasion, if she can beat the draw with no weight on her back, she will have a serious winning chance. Lark's Song will love the step up in trip to 1400m, she ran a fair race on debut behind Playful Joules on the 27th of August, the race didn't exactly work out for her, and she still managed to run just over three lengths behind the winner, if she has made any improvement at home, she can finish amongst the places. It's a tricky race, go wide in all your bets.

Race Preview: Rare Earth has run two brilliant races in succession, she stayed on nicely for second last time behind Beautiful Side on the 9th of September, she is improving with every start, from a good draw, she must have a big winning chance in this field. Heavenly Mafia has run some fair races in her career to date, she finished just over four lengths behind Red Coral on the 7th of September at Hollywoodbets Durbanville, she now steps up in trip to 1800m, hopefully that will unlock further improvement in her form. Homing Pigeon had absolutely no luck in running on the 13th of September, she was drawn wide and she just battled to get into the race early, she should enjoy the step up in trip, watch her closely, she will be doing some good work late at a decent price. Vivo Per Lei stayed on well behind Sesame on the 13th of September, she was only beaten just over three lengths at the line, if she can build on that performance, she can finish in the places.

Heal And Soul enjoyed the step up in trip to 2000m on the 30th of August, he won a great race, he was only given two points for that victory, from a neat draw, he will be competitive. Master Of Paris returned to form nicely last time, he was doing some good work late behind Heal And Soul, he will be cherry ripe to go one better from a good draw, watch him closely. Chasingtherainbow needed his last run badly from a long break, he got going when the race was over on the 13th of September, he finished fourth and was beaten just under two lengths by Pinot Grigio, the yard thinks highly of this gelding, he might just need one more before we see him at his brilliant best, but he will be storming home late, watch him closely. Aversator has been rested for 120 days, he ran a top race in the Listed Gatecrasher Stakes, he finished powerfully to run second behind Malmesbury Missile on the 7th of June, he should get the run of the race from a neat draw, include him into all bets. Mauritius Kestrel has dropped nicely in the ratings, he ran a good race behind Elusive Winter on the 3rd of September, he gets a good draw on Sunday, and he gets 4kgs off his back, his chances must be respected. Race Preview: Ireland Forever made up good ground late to run a terrific race behind Steadfast on the 22nd of September, he was almost last when they turned for home, and he finished powerfully to run third in a driving finish, again he is drawn poorly, if he gets some luck in running, he could easily go on and win the lucky last. All About Al returned to form nicely behind Sardinia Bay on the 7th of September, he ran third and was beaten just over two lengths, if he can build on that performance from a neat draw on Sunday, he should be amongst the places. Love Shack ran a good race last time, she would have needed that run from a long break, she ran second behind Inside Voice on the 3rd of September, if she has made the necessary improvement back at home, she could sneak into the Quartet.
