Race Preview: Prince Of Egypt ran a great race behind Typically French on the 9th of September at Hollywoodbets Durbanville, he ran third and was beaten just over half a length at the line, unfortunately the wide draw in this race will make it tough for him, but he is improving with every start, if he gets some luck in running, he will be competitive. Joueur De Flute is as honest as they come, he is so consistent, he ran a cracker last time behind Galic Forge in a driving finish on the 9th of September, if he can beat the wide draw here, he will be right there in the finish. Marcus Aurelius has been rested for 90 days, he was terribly disappointing in heavy conditions on the 10th of July, he is much better than that performance, if he doesn't need the run badly on Wednesday, he should be amongst the places, include him into all bets. Galic King is well bred, watch this individual closely.

Race Preview: Vixeninthevineyard ran a much better race on the 9th of September at Hollywoodbets Durbanville, she jumped out the gates well, and she stayed on nicely for third, if she can bring that performance to the track on Wednesday, with no weight on her back, she will go close to winning. Vixens War ran a lovely race behind Reet Petite on the 9th of September, she finished third and was only beaten just over one length at the line, it will be tough for her from a wide draw in this race, but she is clearly improving, with some luck in running, she will go close. Nannie Gold has run two fair races in succession, she was doing some good work late behind Cape Captain on the 9th of September, from a neat draw, she must have a good each way chance in this field. Whatastar had no luck in running on the 3rd of September, she was drawn badly and raced wide throughout, she still managed to finish just over five lengths behind the winner, even though she has a tricky draw again on Wednesday, she can definitely finish in the places with some luck in running.

Good For You has been rested for 130 days, he won the Grade 1 Gold Medallion very well at Hollywoodbets Scottsville on the 31st of May, there is no doubt that he is packed with ability, if he doesn't need the run badly on Wednesday, he will make All The Rage work hard for victory. Miss World may find it difficult to win this race, but she is drawn well, and she has no weight on her back, she might be able to get into the places at a decent price. Powerandtheglorry has been rested for 200 days, he is a lovely looking gelding, this trip will be on the short side for him, but he will be doing some good work late, watch him closely going forward from this run.

Race Preview: Beware finished like a train on debut behind Astronomical Boy on the 13th of September at Hollywoodbets Durbanville, he was green early, and really took off late to run just over one length behind the winner, even though he is drawn badly here, he will love the step up in trip, with some luck in running, he will be hard to beat. In Motion has run two very nice races in succession, he stayed on well for second in the same race where Beware ran fifth, he is gutsy, he has a good draw, and he should enjoy the step up in trip to 1500m, include him into all bets, he will be right there in the finish. Klein Karoo may find it difficult to win, he ran a fair race last time behind Galic Forge on the 9th of September, he ran fourth and was only beaten just over two lengths at the line, he can certainly run into the places on his best form. Waterfront will love the step up in trip to 1500m, he was terribly green on debut when finishing four lengths behind the winner, he can only improve.

Race Preview: Chapbook has been rested for 101 days, he won his maiden in super fashion at Hollywoodbets Scottsville on the 29th of June, he is a young horse with lots of ability, it will be his first run in the Western Cape at Hollywoodbets Durbanville, if he handles the track, from a neat draw, he can win again. Shifting Path had no luck in the straight last time, it got very tight for him on a few occasions up the straight where he still managed to run just under two lengths behind the winner, he has dropped even further in the ratings, with some luck on his side, he could trouble them in the finish at a decent price. Gallie Forge won a good race at Hollywoodbets Durbanville on the 9th of September, he now drops in trip for this Class 5 Event, if he has made further improvement, he can finish in the places. Commanding has been in good form of late, he ran fifth behind African Prince on the 30th of August, unfortunately the tricky draw here will make it tough for him, but on his best form, he can sneak into the Quartet.
