**Race Preview:** Fox On The Run finished his race off beautifully on debut behind Gold Giboski, he was green early, and he stayed on strongly to finish second, there is absolutely no doubt that he will improve quite a bit going into his second run on Wednesday, from a neat draw, he will be very hard to beat here. **Objet D' Art** ran a lovely race last time at Hollywoodbets Durbanville, he stayed on nicely for second behind Demanding Dave, he has a good draw, and he is improving, he will be right there in the finish. **Fast Train** stayed on well for fifth on debut, he was only beaten just over five lengths at the line, he will be running on strongly late, include him into all bets. **Sommerstern** will need lots of luck in running from a wide draw, he has run two decent races in succession, if the gaps open at the right time, he could sneak into the Quartet at a decent price.

**Race Preview:** Madra Rua has been rested for 170 days, he found lots of betting support on debut when he finished just over five lengths behind Happy Verse up the straight at Hollywoodbets Kenilworth, he is a lovely colt that will improve nicely with racing, if he doesn't need the run badly on Wednesday, he will go very close to winning from a good draw. **Freedom Fighter** has been rested for 165 days, he stayed on well for second on debut behind Intensity at Hollywoodbets Greyville, he shortened quite a bit in the market as well, if he has made the necessary improvement and he handles the track of Hollywoodbets Durbanville, he will be competitive. **Sliver Of Sunshine** caught the eye late on debut behind Siriano, he flashed up to run fourth and was only beaten just over three lengths at the line, he should improve, include him into all bets. **Umzingeli Wenyathi** has been rested and gelded, he is very consistent, it will be his first run in the Western Cape at Hollywoodbets Durbanville, watch him closely, he is a nice horse that will keep improving.

**Race Preview:** Clouds Clearing must have a solid each way chance in this race, she ran a nice race for fourth behind Might Mary on the 7th of September at Hollywoodbets Durbanville, she now steps up in trip to 1600m, and she gets the services of champion apprentice Brevan Plaatjies in the saddle, from a good draw, she will run a cracker. **La Patrona** could be the value horse in this tricky race, she stayed on nicely late behind Sesame on the 13th of September, she was still very green and managed to hit the line strongly for sixth, unfortunately the tricky draw here will make life tough for her, if she gets herself into a good position early, she will be running on strongly, include her into all bets. **Alessia Asheville** never runs a bad race, she is well tried in the maiden ranks, on her best form, she can certainly finish in the money. **Red State** ran a good race behind Sesame last time, she ran third and was beaten just over three lengths by the winner, if she can build on that performance from a wide draw, she will have a winning chance. Go wide, it's a tough race.
