Race Preview: Yorkshire Settled back and always among the cab-catchers at Newcastle. Ticks the track and distance win box. Strips fitter second run back. Drawn more favourably. **Accredited** Honest customer. Just beaten in the The Hunter at Newcastle in second run from spell. Should appreciate stepping up in distance. Ready to peak third-up. **Arctic Glamour** Prominent (outside alley) and fought on determinedly to win Danish Stakes this venue. Strips fitter second run back. Warrants attention. **Robusto** Wasn't beaten far at Newcastle. Effective this track and distance and a proven weight carrier. Drawn well and a proven weight carrier. Sound claims. **Magnatear** Produced sustained speed to win the 5yo+ (Bm88) at Randwick over this distance. Locally trained but has a tricky draw. Only for wider exotics.

Race Preview: Imperialist Freshened. Solid 61kg winner at Taree 17 Oct. Solid rally into the placings in rain affected going at Randwick at this distance when in the market. Makes a strong case in this company. Firm Agreement Last win was 1 Oct 2024. Well back and never a factor at Newcastle over a longer assignment. Switching to 2000m. Rough place prospect. Shangri La Spring Fresh. Raced in back half and never likely when 7.6 lengths 12th at Randwick. Won only other time at Rosehill. Since trialled at Randwick 21 Nov. God's Window Really good run coming from the back in The Beauford at Newcastle. Coming back in distance. Rates highly. Future History And only overhauled late at Newcastle over a longer test. A distance specialist. Fit from racing and can challenge.

Race Preview: Maid Of Moolah In stellar form. Led and held sway to win at Newcastle at last start this journey. Leads, handy. Stays in this company with more weight but can go back to back. Bella Montagna Import returning for second Australian campaign (27-weeks). Only better for two Aust runs. Lone career win was at Kembla Grange in last campaign. Broke maiden at Kembla Grange 10 May. Lunaite \$5 chance, handy and put them to the sword in the 3yo+ Highway (C3) here at resumption. Strips fitter second run back. Can play a role. Covert Thinking Back to the track for second campaign (21-weeks). Has a picket fence form line. Brought to race fitness with 3 trials. Did a terrific job in her first campaign. Storm Season Midfield, overhauled them for a strong win at Kembla Grange when off an extended spell. Will be fitter second-up. Nice gate and under less weight. Can run a drum.
