Ocean Flame was touched off on local debut and should be right there at the finish once again. Priceless Treasure has been consistent and can contest the finish yet again. Five Star Magic returns from a lengthy break but could play a minor role.

Spicethemainbrace has not been at her best of late but is unbeaten in two starts on this surface and should be right there at the finish. Montelena is holding her form and should earn some more money. Unconquerable Lady has shown improvement of late and has a place chance.

Race Preview: Epikleros has some solid wins of late and has every chance of completing a hat-trick. Flight Display is at her best on this surface and was an easy winner last time out. She can contest the finish yet again. One Religion has been consistent of late and has Richard Fourie riding her so would not be a surprise winner. Honorable Member is clearly a difficult filly to win with but she is very consistent and can get involved with the finish yet again.

Race Preview: Harun Al Rashid has not shown since his maiden win but obviously has some issues given that he is lightly raced. He is down four pounds in the ratings and is one to watch in the market. Querari's Dream has the best of the draw and has been close up in his last two. He gets a stronger rider aboard. There should be very little between Papa C and Riccardo the former looking to be the better proposition given the he meets his rival at the same weights as when they met two runs back.

Race Preview: Cognac looks to be top class, winning both of his starts to date. But this is his first try at 1400m with top weight and the worst of the draw. Safe Travel showed up well in his handicap debut behind what looks to be a more than useful winner. He has a fair draw and should be a big threat. Rooster Bradshaw was in need of his last run but not far back and should run another good race. Given the riding engagements, Dricus could be the best of Andre Nel's trio. He started favourite in his local debut and can come on from that.

Race Preview: Dark Matter does not have the best of draws but was close-up in a strong field last time out even though carrying a light weight. Down on class she should make a fist of it. Shipindani needed her last run at Durbanville and was not far back. Lightly raced she can go close here. Crafty Crofty was close-up in a useful field over course and distance last time out. She gets the benefit of a useful 4kg claimer and should run well. Amen Corner makes her local debut. She had modest Cape post maiden form but has a light weight and is one to watch.

Race Preview: Cats Pajamas ran a cracker behind I Am Giant in his comeback run after a break. He has drawn on the outside here but is well in at the weights with a useful 4kg claimer aboard and he rates the horse to beat although he faces two class acts in former Equus Champion Dave The King and Gr1 Champions Cup winner Gladatorian this pair would prefer further but their class can carry them through. Soho Star is course and distance suited and should put in a strong showing.

Race Preview: Phutulicious is showing signs of coming to hand again and has dropped to a more competitive rating. Rhythm was finishing well under a big weight last time out and appears to have come to hand again. In The Bag has been knocking on the door for his second win and has much in his favour. Barry Du Grond found his best form on the poly last run. He has always struck as something of an under achiever.
