**Race Preview:** Emerald Forge copped a bump out of the gates in her last start when finishing behind newcomer Varachino's Champ. The former is entitled to have come on from that comeback run and may well improve to turn the tables on the latter who is also engaged to run at an earlier meeting. Lilac Snow and Winter Wedding have the form and experience to acquit themselves competitively.

Thoosil has finished in the money in each of his 3 outings and won't need to improve much in first-time blinkers to fight out the finish. Naretoi would have come on from an encouraging Highveld introduction and should have a say in the outcome too. Gonna Catch You complete the shortlist.

**Race Preview:** Korcula ran on from a long way back when a fast-finishing 4th over 1450m last time, suggesting the step up to this distance will be more to her liking. Blood Of Eden and Into Dancing are effective over the trip and will make life difficult for the selection. Future Success had legitimate excuses for a disappointing last start but she could make her presence felt of bouncing back to her earlier form.

**Race Preview:** Francilien deserves to get her head in front after 3 fast-finishing 2nds over 1200m, and the step up to this distance could be just what she needs to do so. Daisy Jones was 4th in a 3yo Grade 3 over this trip on Charity Mile day and a repeat of that performance, off a 4-point higher mark, will put her right in the firing line. Class-dropper Arashi and returning Wings Of Ice have the means to make their presence felt too.

**Race Preview:** Palace Prince didn't go unnoticed last time when 5th in a 3yo Grade 3 over this trip and a repeat of that performance off an unchanged mark could suffice. However, there are dangers aplenty, including consistent hard-knockers Big Unit and Open Highway. Lightly raced 4yo Hemisphere may have more to offer over this extended trip so is best kept outside.

**Race Preview:** Manyeleti blitzed her opposition over track and trip on debut and she is open to any amount of improvement on her reappearance. Anchorage was outclassed in a 1450m Grade 2 on her 3yo debut but a return to this shorter trip with improved fitness on her side should be more to her liking. Alpine Jet was supported in a 1000m feature last time so should not be hastily overlooked, especially in her peak outing. Glastonbury hasn't been seen since running in a 2yo Grade 1, so she isn't taken lightly either on her reappearance.

**Race Preview:** Vanakkam has taken a liking to this distance and a repeat of the performance that saw her finish 2nd against male rivals in a stronger race last time should be good enough this time. However, Spiritrix is also class-droppers with genuine each-way credentials. Last-start maiden winners Vamanos will be tested but is improving 3yo filly capable of acquitting herself competitively. Consistent Time For Charity cannot be ignored.
