**Race Preview:** **Foreign Press** Has struck a purple patch of form. Trained pace and ran on gamely at Sunshine Coast. Won only other time at Doomben. More suitable draw and a nice weight drop. **Impervious** Not disgraced at Sunshine Coast. Ticks the track and distance win box and under less weight. Very fit and one for exotics. **Sylph** Looks a handy type judging by early form. Last start this trip handily placed and gave her all running on for second at Canterbury when in the market. Strips fitter second run back. Nice gate. **Shadwell Lane** Put in some good work late when 1.5 lengths 5th at Sunshine Coast. Has an adverse draw and rising in weight. Rough place prospect. **Pyrolysis** In the market all runs. Went down narrowly in the small field at Canterbury at first run back. Form good enough for this.

**Race Preview:** **Mr Worthington** Let-up (49-days). Drove hard late to nail a 0.3 lengths win at Eagle Farm. Drawn well. Can make his presence felt. **Shortcut** Off the speed, picked up soundly and wasn't beaten far this venue. Unexposed at trip. Looks up against it. **John Dory** Went close at Newcastle two back. Determined winner at Canterbury at his second race start when in the market. Tommy Berry retains the ride. Drawn to receive every chance. **Krumac** Okay at latest when settled back. Can be thereabouts. **Hidden Future** On pace and toughed in out well for 0.9 lengths len Maiden win at Ipswich. Angela Jones retains the ride. Could give some cheek at odds.
