Treetops ran a fair race on debut and with natural improvement can get a lot closer. Theshowmustgoon is never far adrift the action and should be very competitive. Perfect Impact can be forgiven for the last run and included in the quartet.

**Race Preview:** Pushing Limits is in winning form having won two out of his last three races and there is no reason why she cannot follow up. Andrew Fortune sticks with the ride. Whirlwind obliged at the second time of asking and could end up being way better than a MR 78, respect and include. Caribbean Gold is lightly raced and has each way claims. Country Time has solid form and as usual a lively chance.

Sugar Daddy has good form, caught the eye last time and should go close. Waloyo Yamoni has a bright place chance and Blizzardboy is a must for the quartet.

**Race Preview:** Eric Liddell ran an absolute cracker last time when nearly getting it all right and could be tough to beat today. Phantom Man has placed twice from four starts and should win soon, but for today, has more of a place chance than a winning one. Fort Liam and Frequent Traveller are natural inclusions for trifectas and quartets.

She has come down in the ratings a lot. Tothemoonandback caught the eye last time, Fortune now rides and can go one better. Gentleman Joe is taking time for the next win but showed last time that the time is near. Bright chance. Fast And Free is one for the shortlist.
