**Race Preview:** Inspiration has finished 2nd in consecutive course-and-distance maidens recently so she wouldn't be winning out of turn. Taking A Risk fits a similar profile after filling the runners-up berth in back-to-back recent outings. Princess Of All has the form and experience to acquit herself competitively too. Ruby From Heaven appeal most of the remainder.

**Race Preview:** Quevano stayed on to finish 4th of 16 on debut as 2yo and would have come on with that experience. She hasn't been seen since and is open to any amount of improvement after a 560-day absence, so it may pay to follow her progress. Magic Carpet Ride and Winter Belle are better than their last starts suggest and they could make their presence felt on earlier form. Newcomer Trombolines needn't be special to have a say in the outcome either - watch the betting.

**Race Preview:** Delaware River has finished close-up in 3 recent outings so won't need to improve a great deal to open her account. Aquarius has shown promise in 2 introductory sprints but on pedigree, could be even better stretching out to this trip. Palace Script didn't go unnoticed (from the widest gate) over track and trip last time and should be more competitive from the No 1 gate. Truly Magical complete the shortlist.

One Eye On Vegas was touched off in a competitive 1160m sprint last time and will play a leading role if running to that form again. Aristotle and Elegantrix are better than their last starts suggest and will likely have a say if bouncing back to their earlier form.
