7	Gimmesumluv					3 Savara's Princess	1:10.86
						2 Emerald Countess	1:14.36

Race Preview: **Emerald Countess** confirmed the improvement of her previous start (with blinkers) by finishing a career-best 2nd last time and a repeat of that performance with the headgear retained could suffice. **Savara's Princess** and **Trail Runner** also filled the runners-up berth in their most recent outings. Both have the form and experience to fight out the finish. **Gimmesumluv** would have come on appreciably with the benefit of an encouraging introductory outing.

7	Musical Warfare						

Race Preview: Well-related **Space Mission** has performed consistently over further but the drop back in trip with blinkers fitted could eke out the improvement needed to shed his maiden tag in a race that won't take much winning. **Monkey's Wedding** had excuses for a disappointing last start but could pose a threat if bouncing back to his earlier form. **Truro Legacy** is open to improvement so could get into the picture too. Newcomer **Musical Warfare** would not have to be special to make his presence felt either.

Race Preview: **Winds Of Change** and **Bjorn Ironside** boast solid form credentials over track and trip, and both are weighted to be competitive. However, it could pay to follow the progress of unexposed **Rifle Queen** who was 2nd in a Listed race on her reappearance and remains open to improvement. **Chapbook** has shown enough to make the presence felt.

Race Preview: **Douglas Dragon** could hardly have been more impressive when winning over course and distance last time. On the evidence of that performance, a 6-point penalty and slight step up in class should not prevent another bold bid for victory under a 1.5kg claimer. **Nebraas**, **Battleground** and **Enflame** are proven stayers with the means to expose any chinks in the selection's armour.

Last-start runner-up **Full Go** can get into the picture.

She is 0.5kg worse off with re-opposing **Warning Sound** but will likely confirm her superiority over the inconsistent latter. **Mountain High**, class-dropper **Fire In Her Soul** isn't taken lightly under handy galloping weights.
