Race Preview: Terminal Velocity has been very costly to follow but does look hard to oppose. This longer distance looks likely to suit her. Aethelwulf continues to hold his form but does lack a strong finish. He would not be a surprise winner. Mont Tremblant is threatening to win a race and should be right there at the finish. Sugar Baby Love makes her local debut and could show vast improvement.

Race Preview: Great Notion quickened nicely to win on local debut on the turf. She was even more impressive on the Polytrack and can complete her hat-trick. Her stable companions, Smashing and Happy Wives, are consistent and capable of earning some money. Unconquerable Lady did not show her best last time out but could be a real threat to these rivals if allowed a soft lead.

Race Preview: On An Impulse tackles stronger after an easy maiden win on this surface. That was his first start for trainer Dean Smith and he could be ahead of the handicapper. Warofdynamite has been consistent of late and should fight it out once again. Cadenza has been unreliable so far but was a very easy maiden winner in his penultimate start and must be respected for that. King Rahul has held form of late and is clearly not out of it.

Race Preview: Andy Coogle represents a trainer in very good form and he is hat-trick seeking after some solid wins. Silvonian is also looking for a treble of wins after striking form and will not go down easily. Stable companion French Flame has looked unlucky not to win locally and could be ready to pop up. The Alan Greeff-trained Mr Fox has been running in better field than this recently and hold winning hopes as well.

Jambo Sana is capable of a strong finish and should be right there in the mix of things. Lady Bomber is improving and was a solid winner of her latest start so could defy the handicapper.
