**Race Preview:** Jan Van Goyen showed his class in the Grade 1 Cape Guineas on the 13th of December, even though the race didn't go according to plan, he still managed to make light work of a good field, he looks to be a superstar in the making, from a good draw, he definitely has a big winning chance again. **Dave The King** showed tremendous heart to win a gutsy race last time, he likes to race on speed, from a good draw, he could be hard to fetch late. **Garrix** had absolutely no luck in the Grade 2 Green Point Stakes on the 13th of December, the gaps didn't open at the right time, and he was flying late for second behind **Dave The King**, just on ability alone, he can win a race like this. **Eight On Eighteen** has been rested for 189 days, he ran a terrific race in the Hollywoodbets Durban July on the 5th of July, he is the class package, if he doesn't need this run after a long break, he could be hard to beat.

**Race Preview:** Mente Et Manu won a good race at Hollywoodbets Kenilworth on the 13th of December, he was given three points for that win, he looks progressive, and he should love the drop in trip to 1400m, from a good draw, he can win again. **Roland Garros** ran a fair race in the Grade 1 Cape Guineas on the 13th of December, he only finished just over four lengths behind Jan Van Goyen, the drop in trip to 1400m will help his chances, include him into all bets. **Beware** is much better than his last run, ignore that completely, if he bounces back to his best form from a perfect draw, he can win a race like this. **Touched By Angels** won impressively on the 6th of December, he was given five points for that victory, if he gets some luck in running from a poor draw, he could be competitive.
