Race Preview: Prayersandpromises was backed on debut and showed speed throughout to finish a close-up 3rd. He is open to any amount of improvement with that experience under the belt so could be hard to beat. Both Sherlock Holmes and Dear Doc fit a similar profile so they could improve to fight out the finish. Ehhfifteenkjo could also have a role to play if confirming the improvement of his latest outing.

Race Preview: Iona Castle ran a lovely race for second behind South Of France on the 17th of January, she is honest and she tries hard, she will be hard to beat, this looks to be the right race for her. Peaches And Cream has been rested for 66 days, she was doing some good work late for fifth behind Her World on the 10th of December, the blinkers have been fitted, she will be competitive on her best form. Hazel Green never runs a bad race, she stayed on well for third behind Seven No Trump on the 13th of January, there is no doubt she will be right there in the finish again, include her into all bets. Redlight Lane ran a much better race on the 17th of January, she ran third behind South Of France and she was only beaten just over one length at the line, from a good draw, she should be amongst the places.

Race Preview: Miss Fantastic justified betting support when running to finish a close-up 3rd on debut and she should play a leading role with natural improvement. Traditional Belief also made promising introductions and will know more about it this time round. Newcomers Purple Rain is attractively bred and could have a say in outcome.

Race Preview: Bonelli must have a big winning chance in this field, he caught the eye late for second behind Prairie Dawn on the 21st of January at Hollywoodbets Durbanville, if he brings that performance to the races again, he will go close. Protector Of Peace has run four good races in succession, he stayed on well for third behind Wave Of Glory on the 4th of January, he should enjoy the step up in trip to 1600m on Saturday, include him into all bets. Double Distilled quickened up nicely to run a good race behind Midway on the 21st of January, even though he is well tried in the maiden ranks, he looks to be in a good space at the moment, on his best form, he could make the finish interesting. Oh So Onerdful ran a much better race at Hollywoodbets Durbanville on the 17th of January, he ran second in a driving finish behind Meet The King, it was his first run over some ground, the extra 200m on Saturday will help his chances, watch him closely.

Race Preview: Jou Lekker Ding has run two good races in succession, she quickened up smartly to finish third behind Dream Searcher on the 4th of January, the form of that race has worked out well, she will go close to winning from a good draw on Saturday. Amayah won her maiden impressively on the 21st of January, she is a beautiful looking filly with a great action, she can only improve with every start, include her into all bets. Lark's Song was given a great ride by jockey Andrew Fortune on the 13th of January at Hollywoodbets Kenilworth, she won a good race beating Homing Pigeon by a long neck, she is very well-bred, there is no doubt she will keep improving with more racing, watch her closely. Her World has been rested for 66 days, she quickened up well to win a good race on the 10th of December, the blinkers have been fitted on Saturday, she will be storming home late.

Race Preview: Paul Revere won at a higher level last time out so are likely to remain competitive in this grade, even under resultant penalties. He is worse off at the weights with **Sunset Riot**, which brings those rivals into contention. Lightly raced **It's Personal** is open to any amount of improvement stretching out to this trip for the first time so he may represent the value under 54.5kg. Last-start winner **Sutherland** have claims too.

Race Preview: Gravity won well at Hollywoodbets Durbanville on the 21st of January, he was given five points for that win, if he gets some luck in running from a tricky draw on Saturday, he will go close to winning again. Country Time was eating up the ground late behind Gravity last time, she ran a super race, now that she is better off at the weights, and she has a good draw, she definitely has a winning chance. Sicily had absolutely no luck in running behind Gravity on the 21st of January, he was a long way back turning for home, and the gaps only opened up late for him when he was low flying for third, he should get the run of the race on Saturday from a good draw, watch him closely. Bonne Bouche has run some fair races of late, jockey Andrew Fortune sticks with this mare, she has dropped even further in the ratings, if she gets away from the field at the right time, she will be hard to peg back.

Race Preview: Consistent **Peregrine Falcon** was an unlucky 3rd over 1200m last time when fitted with blinkers for the first time. He was 2nd over this course and distance in his previous outing and a repeat of that performance with the headgear retained should suffice, especially with the aid of his rider's 1.5kg allowance. **Oklahoma Smokeshow** is better off at the weights so should give the selection most to fear from gate No 1 under a 4kg claimer. **Vava Vegas** and **Mocha Frappe** can get involved too.

Race Preview: **Marketa** has been rested for 91 days, she is much better than her recent form, the tongue tie has been removed, she is a speedy filly with lots of ability, if she bounces back to her best form from a good draw on Saturday, she can win a race like this. **All Is Green** stayed on well for third behind Dame Of Trix on the 13th of January at Hollywoodbets Kenilworth, the blinkers stay on, she definitely has a winning chance on her best form. **Saachi One** ran a much better race at Hollywoodbets Durbanville on the 21st of January, she finished just under three lengths behind Wyze Declaration, she has dropped further in the ratings, and she has a good draw, watch for a big performance from this filly. **William's Woman** ran fifth in the same race as **Saachi One** last time, she has a low weight on her back on Saturday, and she has a neat draw, she will be there amongst the places at a decent price.

Race Preview: Grade 3 feature in which **Fire Attack** sets the standard and official ratings and on favourable weight terms. However, he returns from the Western Cape where he contested a prestigious Grade 1 so it remains to be seen what that race and travel took out of him. On their meeting in the Grade 1 Summer Cup over 2000m, **Olivia's Way** should pose more of a threat to the selection on these terms than **The Ultimate King**. **Willy Meet Again** have earning potential too.

Race Preview: Night Bomber whose 1000m reappearance was encouraging and gave the impression that this extended trip will suit. Last-start winners **The Specialist** remain competitive under 3-point penalties but respective runners-up **Slinky Mapimpi** is better off at the weights so will likely make the presence felt on these terms. **Frozen Fantasy** has recent course-and-distance form at this level and should have a role to play, even against male opposition.

Race Preview: Jet Force is much better than his run in the Grade 1 L'Ormarins King's Plate, he finished just over six lengths behind The Real Prince, even though he has a tricky draw here, he is very smart, with some luck in running, he will be hard to beat. Beware quickened up well to finish just under one length behind Roland Garros on the 10th of January, the yard thinks highly of this colt, he will be competitive from a good draw. Powerandtheglogy must have a good each way chance in this field, he ran a great race for second behind Snow Pilot on the 31st of January, he is a beautiful looking gelding, include him into all bets. Captain West was heavily backed in the market when finishing fourth behind Kinda Wonderful on the 4th of January, he has dropped in the ratings, and the blinkers have been fitted, watch him closely.

Race Preview: Captain Selvie has solid recent form at a higher level, albeit in same-sex company. She races off an unchanged mark so will likely play a leading role, even against male opposition. Royal Horizon has the form and experience in this grade to pose a threat. However, recent course-and-distance maiden scorer Space Mission could give the selection most to fear. He made marked improvement in first-time blinkers and remains open to further to progress on handicap debut with the headgear retained. Hard-knocker Longsword isn't underestimated either off his reduced mark.

Race Preview: It Is My Time ran a lovely race for fourth behind Foudre on the 4th of January at Hollywoodbets Kenilworth, he looks to be in a good space at the moment, the drop in trip to 1400m is key for this gelding on Saturday, he will go very close to winning. Boogiefied has been rested for 108 days, he never runs a bad race, he was just touched off last time by Fox On The Run, if he doesn't need the run badly, he will be right there in the finish. Ireland Forever is much better than his last start, he finished just over four lengths behind Kelp Forest on the 10th of January, he will be switched off early from a bad draw, and he will be storming home late, include him into all bets. Carriacou has been rested for 63 days, ignore his last run, he finished just over nine lengths behind Mente Et Manu on the 13th of December, the drop in trip to 1400m will help this gelding, if he gets the right run, he will be competitive at a decent price.
