Race Preview: Cracking contest between 2 highly regarded 3yo's, **Quickfreeze** and **Speedman**. The former put his older rivals to the sword when winning over this trip last time and it is encouraging that jockey Craig Zackey sticks with him instead of the latter, who lost little in defeat when beaten for the first time in his most recent outing at a higher level. Returning last-start scorer **Golden Operator** remains open to improvement in his second appearance as a gelding. Class-dropper **Believe In Fate** may also have more to offer stretching out to this trip in his peak outing.

This extended trip will unlock further improvement, so a resultant 8-point penalty may not be enough to prevent him from following up. **Master Spy** also remains open to improvement after a winning 3yo reappearance over a shorter trip. **Buddy Boy** (first-time blinkers) can make the presence felt too, while veterans **Arumugam** have earning potential too.
