Both have shown enough to pose a threat, especially under light weights.

**Race Preview:** **Pressonregardless** showed his form and well-being with a career-best performance to win a Listed race last time over slightly further. He is equally effective over track and trip so a resultant 5-point penalty isn't likely to prevent another bold showing. **Almond Sea** ventures beyond 1160m for the first time but could pose a threat after a career-best victory in her last start. Stablemate **Doitwithdiamonds** is course-and-distance suited and capable of playing a leading role. **Winds Of Change** is weighted to be competitive.

**Race Preview:** **Force Publique** second over 1800m at this level last time gave the impression that this extended trip will suit. **Casus Belli**, **Futurewolff** and **Full Go** are experienced hard-knockers with sufficient means to threaten the selection, especially in receipt of weight from their younger rival.
