Race Preview: We open the card with a fascinating contest, barring the reserve runners who have had one run each, the field is made up of unraced babies. There is no exposed form, some will be here for the experience, others will be tuned up and ready to fire first time out, we will need to watch them closely moving down to the start, and we will need to monitor the market.

4 Benny And Paul			

Race Preview: From The Island stayed on well for fourth on debut behind World Series on the 4th of February, with natural improvement expected from this colt, he should go close to winning. Vibe Check might be the value play in this race, even though he ran last on debut finishing just under ten lengths behind Red Spice, he ran against winners on that occasion, and he was very green, watch for big improvement from this well-bred individual. Lady Jean finished just over five lengths behind St Harry on the 13th of January, she was entitled to be green first time at Hollywoodbets Kenilworth, the form of that race has worked out well, she could sneak into the places at a fair price.

Race Preview: Zagreb has been rested for 88 days, he was heavily supported in the market last time when finishing just under two lengths behind Balzi Rossi, the drop in trip on Sunday is key for this individual, he will go very close to winning on his best form. Big Deal had absolutely no luck at Hollywoodbets Durbanville on the 17th of January, he turned for home a long way out of his ground, and he quickened up beautifully to run second behind Behave Harris, he will be just off the speed early here, and he will be low flying late, include him into all bets. Volegov stayed on well for third behind Meet The King on the 17th of January, he is in good form at the moment, the drop in trip will be no problem for this gelding, he will be right there in the finish. Fast Train just got touched off in the finish by Different World last time, he is a young horse that is still improving with racing, the extra 200m on Sunday will help his chances, watch him closely.

Love Her Madly ran a much better race at Hollywoodbets Kenilworth on the 4th of February, she got going late to finish second behind Cantona, back sprinting and the tongue tie has definitely helped this filly, if she brings her last run to the track again on Sunday, she will go close. Starting Point improved nicely with the blinkers on last time, she was just behind Love Her Madly on that occasion, she is improving with every start, watch her closely here, she can win a race like this. Delaroché ran a fair race for fourth behind Raffish Trend on the 21st of January, she is speedy, and she drops in trip again to 1000m, she might be able to sneak into the places.

Race Preview: Whirlwind quickened up beautifully to win a good race at Hollywoodbets Kenilworth on the 31st of January, again it was a top ride by jockey Richard Fourie, she was given three points for that impressive win, she is a young filly with tons of improvement still to come, she can definitely win again. Wander Dune has been rested for 130 days, she was fancied in the market to run a big race last time, unfortunately she finished last and was beaten just over six lengths by Viva La Vida, there is no doubt she is better than that, the drop in trip on Sunday might help this filly get back to winning ways, include her into all bets. Maritzburg Memory might be the value play in this tricky race, she was only beaten just under three lengths by Dame Of Trix on the 13th of January, she has dropped even further in the ratings, if the gaps open at the right time for this filly, she will run a big race at a good price. Girl Like Us never runs a bad race, she finished just over three lengths behind Dream Searcher on the 4th of February, the yard is in good form at the moment, she might be able to sneak into the places on her best form.

Race Preview: Galic Victor has been rested and gelded, he finished just under three lengths behind Mente Et Manu at Hollywoodbets Kenilworth on the 13th of December, he is a beautiful horse with tons of ability, even though this trip of 1200m will be on the short side, he will be running on strongly late, include him into all bets. Worldly didn't have much luck in running last time, he finished just under three lengths behind Whirlwind on the 31st of January, he can be a bit slow out the gates, but he will be finishing fast late, watch him closely at a decent price. Spirit must have a good each way chance in this race, he finished fourth in the same race as Worldly last time, the key could be the blinkers fitted to this gelding on Sunday, he should run a nice race. Azzurri ran third behind Whirlwind on the 31st of January, he always has a place chance at this level.
