**Race Preview:** Obsidian Star only found star filly Marchland a bit too good on her debut. She can go one better this time around. Trainer Alan Greeff also had Malibu Ice to his representative, will have her supporters. Princess Of Ajaal has not been disgraced in her two starts and should contest the finish. Roses For Trex, a Horizon filly, makes her debut so monitor the betting regarding her.

**Race Preview:** Homing Pigeon is very consistent and has been battling to win in the Western Cape. She has improved with the aid of blinkers and could break the ice for visiting trainer Justin Snaith. One Summer is showing her best form now on the turf and can get involved with the finish once again. Missouri Flame was touched off on the Polytrack last time and could contest the finish again. Oh Mandy is not reliable but is always capable of running into the money.

**Race Preview:** Western Cape raider Song To The Moon is not in the top 6 best-weighted runners for this race. He does still seem capable of winning a race of this nature. Global Ally broke a long losing run when scoring in his penultimate start but did not repeat that last time out. He is a real threat to these rivals, though. Honorable Member is better than the most recent runs and deserve some respect. Ginger Delight has won on the turf but does seem to prefer the Polytrack these days.

Lady Bomber continues to win her races from pole position she may yet score again. Exquisite is not reliable but is capable of winning.

**Race Preview:** Fairy Knight has won his last three starts and has a win over this course and distance so is the one to beat. Cruise Control is very speedy and has won over this track and trip. Stable companion Roman Agent had turns beating one another and should be right there at the finish once again. Mercantour just needed his last run and is clearly not out of it.

**Race Preview:** Anotherdanceforme has only lost once in 8 starts and that was at HWB Kenilworth. She returned from a break with a facile victory over this course and distance last month and she can add another victory to her tally. If there is to be a danger Western Cape raider In A Timely Manner is it. He showed what he is capable of with a very easy win last time out and could have more to offer. Silva City has ability and will not go down without a fight. Augusta Rosso has place chances.

Porfirio has won his last three starts, including on the turf last time out and is a danger. Ingqwele was a solid winner on the Polytrack last time out and will need to prove he's as good. Wild Fig is better than his last run and is another to consider.
