**Race Preview:** Snowbird found betting support on debut when finishing just under three lengths behind Shezaripper on the 22nd of February, she is a lovely filly with lots of ability, with natural improvement expected from this well-bred individual, she will go close to winning from a good draw. Preacher Man has run two fair races in succession, the form lines of her last run on the 4th of February have worked out well, she will be just off the speed early here, and she will be staying on strongly late. Lucy's World finished just over eight lengths behind Grapes Of Wrath on debut, she can only improve from that performance, watch her closely from a neat draw.

4 Hazel Green	13%		5 Little Nimbus 1:27.98

**Race Preview:** Future Red ran a cracker on debut for second behind Ebisu at Hollywoodbets Durbanville on the 14th of February, she was very green in running, the wide draw here will make it tough for her, but the step up in trip to 1400m will help her chances, if she gets some luck in running, she will be right there in the finish. Rare Earth was doing some good work late in the same race as Future Red last time, she was drawn badly on that occasion, there is no excuses for this filly on Wednesday from a neat draw, on her best form, she will be super competitive. Theleia was given every chance to win here at Hollywoodbets Durbanville on the 4th of March, she was extremely one paced up the lane when finishing just over three lengths behind Vivo Per Lei, in hope that she can finish her race off better on Wednesday, she might be able to sneak into the places from a tricky draw. Hazel Green never runs a bad race, she is honest and she tries hard, include her into all bets.

**Race Preview:** Klein Karoo won a good race at Hollywoodbets Durbanville on the 11th of February, even though this is a stronger field for him on Wednesday, he will be just off the speed early, and he will be flying at them late, he can definitely win again. District Master won a great race straight out of the maiden ranks on the 22nd of February, he was given five points for that impressive win at Hollywoodbets Kenilworth, if he can beat the tricky draw here, he should be competitive again. Devil A Saint finished just over eight lengths behind Jet Force on the 14th of February, that was a much stronger field than what he faces here, he could be some decent value in this tricky race, watch him closely at a decent price. Avignon quickened away from his field in good fashion on the 25th of February, he was given six points for that win, if he stays the 1400m trip on Wednesday, he could sneak into the Quartet.

**Race Preview:** The Night Ferry finished just over three lengths behind District Master on the 22nd of February, he has dropped one point in the ratings from that run, and he gets 4kgs off the back from the apprentice claim, he will run a big race from a good draw. Midway is much better than his recent performance behind Money Extractor, even though the 1800m trip is a stretch for this gelding, this doesn't look to be the strongest race on paper, he should bounce back to his best form from a neat draw. Beautiful Side was a touch disappointing at Hollywoodbets Durbanville on the 11th of February, she has dropped further in the ratings, she can win a race like this on her best form, include her into all bets. My Bestie will need to improve quite a bit to win this race, he finished just under four lengths behind Spirit Of Levana on the 18th of March, in hope that this run hasn't come too soon for him, he can sneak into the places.
