Race Preview: Nearest Arrowfield 3yo. Debut effort fair in spread-out finish at Tamworth as clear-cut favourite 10 Apr. Better for experience and should relish the rise in distance. Should have more to offer. **Stability** Okay at latest when settled back. Improver and should appreciate stepping up in distance. Can challenge. **All Star** Rarely far away. Close-up at Hawkesbury 8 Apr. Again narrowly beaten in the small field at Kembla Grange over this trip. A few runs under his belt this campaign and warrants attention. **Hellfighter** Shown some ability. Brave in defeat Super Mdn this venue in second run from spell. Nice gate. Scope for improvement.

Race Preview: Alphard Let-up (73-days). Competitive in metro company two back 30 Jan. Prominent but unable to sustain bid (poor recovery) at Warwick Farm second-up. Good draw. Gets chance here. **Scoish Maloish** Back for second campaign (18-weeks). A very soft debut performance at Randwick after a betting drift 27 Dec. Tuned up with a couple of trials. Likely to improve with racing. **Spiv** Back to the track for second campaign (48-weeks). Shown some promise across three appearances. Given a good tune up with 3 trials. Effective wet. Among the dangers fresh in this affair. **Incremental** Put up a sound performance at Muswellbrook on debut. Should come on. Drawn to get a conservative run. Can play a role.

A bit raw on debut but should improve with racing. **Alnair** Back for second campaign (26-weeks). Given time to mature. Can play a more positive role here.

Has some claims. **Dance With Destiny** Last at 400m, made minor headway in the strung out finish at Randwick over a longer test. Stakes grade to maiden. Switching to 1900m. Hard to beat. **Canjustify** Couldn't get near winner but found enough for the minors at Canberra. Placed only other visit to Newcastle. Very fit and can challenge. **Pharoah Queen** Placed last two. Went down narrowly in the small field at Gosford. Coming back in distance. Worth a look.
