A distance specialist. Dug Another Hole Now 4 weeks between runs. Settled close, couldn't match winner but ran on for third at Bunbury at last start this journey. Nice gate. Has form this track and distance. Bakeel Freshened after resuming from a break. Never a threat after showing no early speed from the barriers at Bunbury at first run for new trainer. Race Preview: **Thermosphere Lad** First-up (16-weeks). Just missed in Rst 0 Met Win-LY company this venue first-up last campaign. Can make his presence felt fresh in this line-up. **Cannykev** Racing with conviction. Off pace and let down with purpose to score here over this trip, at \$7. Claiming apprentice engaged again. Highly rated in this line-up. **Gi Gi Pops** Resuming (31-weeks). Tends to race well first-up without winning. Likes some juice in the track. High speed, perfect draw and under less weight. **Military Power** Gave solid chase in a good effort this track when pushed out in the market. Handles wet ground. Good draw. Form excellent at this distance.
