**Race Preview:** Alakazam was doing her best work late on local debut. She can go one better, but it is an open looking race. Jazz Away likes the Polytrack and from a good draw should be competitive again. Salagadoola is consistent and should contest the finish. Lady Limoncello found one better on her poly debut and should be a real threat to these rivals.

**Race Preview:** Monkey's Wedding is clearly unreliable but does have a chance to win a race of this nature. World Soprano is in good form and would not be a surprise winner. Stable companions Makajima and Silver Of Sunshine are threats. Makajima has shown a liking for the Polytrack. Silver Of Sunshine makes his local debut and stable jockey Richard Fourie is in the irons.

**Race Preview:** Zinovi is the best runner in the race no question. He has only, however, raced once on this surface and that was on local debut. He has been very good on the grass and will be hard to beat if the surface is not an issue for him. Firealley was a game winner just last week and will not go down without a fight as he is proven on the Polytrack. Nelson Bay put up a good fight in his last two but this is toughed. Kingdom Of Heaven can also earn.

Desert Cloud has improved of late and will not go down without a fight. Rhydian makes his local debut and would not be a surprise winner. Nightjar is better than his local debut and can be competitive.

Midnight Music showed what she is capable of with a solid last win and could follow up. Nautical Landing attracted a lot of betting support last week and was narrowly beaten so could make amends. Black Path has been a disappointment of late but might surprise.

Mercantour has a good record on the Polytrack and is course and distance suited. Cliff Top is back on his favourite surface and if given a soft lead could upset.
