Race Preview: Tiger Cody made a promising debut and should come on with the experience. Omkhulu Boss was disappointing in his local debut in the soft after a smart previous effort. He can do better here. Lennox was a long way back to promising Rich Man's World on debut but is likely to come on from that run. Coast Of The Sun is bred in the purple but has a wide draw to contend with.

Race Preview: Too Fast To Fiesta showed promise on debut but disappointed next run. Can do better here. Boogy found limited market support in a modest debut and can improve. Lagertha The Queen was very green on debut but has the best of the draw. Pacific Mood strikes as a likely first timer.

Race Preview: Hop Hop Spinnekop was much improved last run and the step up in trip should be right up her alley. Annie's Song is lightly raced but has shown some ability. She gets first time blinkers. Greek Heiress is proven over the trip and from the best of the draw should feature prominently. Brightsunnday has had one good sprint in five outings but the step up in trip could suit.

Race Preview: Legal Counsel will not do his July weights any damage and was doing his best work late behind Questioning last time out. Note To Self was runner-up to crack filly Wish List in the Cape Derby and a forward showing will enhance his chances of making the July field but a jump in the handicap is a possibility. Okavango is the likely pacemaker and is already among the top weights for the July. Eight On Eighteen make his local debut after a disappointing Cape season and may just need it.

Alltheboysiveloved has consistent Cape form over the trip and improved in a tongue-tie. Happy Fortune shoulders top weight but is over her optimum trip. Gorgeous Girl has found form and only got a four-point rise in the handicap for her latest win.

Plus Four is over his best trip from a good draw and has consistent Highveld form to commend him. Donquerari is always dangerous and seldom out of the money.

Mighty Zambezi was a maiden winner last time out but showed marked improvement in first time cheek pieces and was well supported in the market. Jp's Palace has been mixing it with the big guns of late and has been far from disgraced. He should be right there from a favourable draw. What A Fortune showed up well in useful company in his local debut. The stable is on good form and he should make a bold bid. Wild At War goes well on the poly track and has a definite money chance.
