In Hot Water ran a great race on debut, she caught the eye late on the 1st of April, she has a big winning chance in this field. El Cohete showed tremendous speed in her last start, even though she was a touch disappointing on that occasion, she can easily bounce back to her best form and be competitive here. Juliet Of Verona ran well on debut, she will appreciate the extra 200m, watch her closely at a decent price.

Rubee King travelled like a winner on debut when finishing just over one length, he will improve tremendously, include him into all bets. Blackbird ran a fair race on debut, he will love the step up in trip to 1200m. Royal Light was beaten just under nine lengths on the 30th of March, even though he wants further, he will be doing some good work late, watch him closely.

Race Preview: Raddan just needed his run back after a lengthy break on the 18th of April, he was only beaten just over six lengths, this race lacks consistent and strong form, with natural improvement still to come from this young horse, he will be hard to beat. Piteraq never runs a bad race, she has been frustrating to follow from a win aspect, but she tries hard and her form is consistent, she will be right there amongst the places again. Rachettu ran a much better race last time, if he brings that performance to the track again, he will be competitive. Gimme More Apache wouldn't need to be special to win on debut in this field, watch the market closely.

Race Preview: Redlight Lane unfortunately lost her race last time, she drops in trip to 1400m on Tuesday, with some luck in running from a tricky draw, she will run a big race here. Nicci's Law finished just behind Redlight Lane on the 27th of April, she is better off at the weights here and this looks an ideal opportunity for her to finally get it right from a neat draw. Scandalize has run two nice races with the blinkers fitted, she could improve even further now that she steps up in trip to 1400m, watch her closely. Autumn Rush will need a patient ride from a tough draw, if she settles early and with a good rhythm turning home, she will be right there in the finish at a decent price.

Race Preview: King's Quest won impressively on the 21st of March, he was given four points for that smart victory, even though he steps up in class now, he looks extremely progressive, include him into all bets from a neat draw. Mente Et Manu is a beautiful gelding with a great action, he has no weight on his back, and he drops in trip for this race and has a big winning chance on current form. Chasingtherainbow has been rested and he has changed stables, top jockey Richard Fourie gets the ride on this smart gelding, he will be switched off early, and he will be storming home late, there is no doubt he can win a race like this quite easily. In A Timely Manner was far from disgraced in the Listed race on the 20th of March, his chances must be respected from a good draw.
