He gets a 2.5kg claimer aboard and can make amends. Donmagoo has been knocking at the door in Open Maidens. Keagan de Melo stays with the ride and the gelding should be competitive in this line-up. Highveld Storm is struggling but has shown patches of good form and can surprise.

Race Preview: Grand Occasion is smart and a 2.5kg claimer aboard will help her cause as she has won on the synthetic surface. Hodgepodge has been climbing up the handicap after her last two wins and got a five-point raise for her last effort. She does appear to be improving and the switch to the poly track could see her go in again. Sascha's Dream is seldom far back and has taken to the poly taking on males at her last two. Zena Rose do battle once again with slightly better off at the weights this time around.

Race Preview: Flying Fate is lightly raced and was not far back when making her handicap debut. She will much prefer this trip and should go close. Act Of Grace is still on the up and was a comfortable winner in her local debut over the distance. She has useful Cape form and can go in again. Mystique Rouge got a hefty shunt up the handicap for her last win. She does take on stronger here but has a light weight from a good draw and has a chance again. Lilac In Winter was narrowly beaten over course and distance last time out and has a handy galloping weight.

Catch A Penny takes on males but has run two smart races on the poly track and can feature again in spite of her big weight. Summer Winter has a tough draw but has done well on the surface and is not out of it. Mighty Zambezi has improved with cheek pieces and is over his best course and distance.
