Quandura has made steady improvement and although taking on males she only has 50kg to shoulder. Royal Sceptre has been up against strong maiden fields. He takes on older horses but is one to watch. Captain T has been making steady improvement. He has done well on the poly track and the step up in trip may suit.

Race Preview: De Vluggge is unbeaten on the poly track at her last three and is holding form well. She meets slightly stronger here but has a handy galloping weight and can go in again. One Smart Cookie is seldom too far back and the blinkers are back on. Forward Motion does seem better than her last run in the soft. She had smart form before that and at best will go close. Perilla is always dangerous and was a close-up second on the poly track last time out.

Coast Of The Sun has also drawn wide but was very green on debut and can make the required improvement. Impressive has run two smart races over the distance. She has the best of the draw and can feature.

Race Preview: Ahead Of The Facts was just in need of his last run. He gives plenty of weight to all of his rivals but he stays well and should go a good run here. Curious Girl is unbeaten since going over ground. She gets 8.5kg from Ahead Of The Facts and as a Hollywoodbets Durban July entry on can expect another forward effort. Continental Express is back over his preferred trip with a light weight. Douglas Dragon has his first run for Vaughan Marshall and has some useful Highveld staying form.

Keukenhof was doing her best work late behind Wish List last time out. She is still improving and the extra will suit. Rainbow Lorikeet was not at her best in the recent Gr1 Empress Club Stakes but has smart Cape form to her credit. She has run well on this course. Callmegetrix is capable can fight it out.

Whatastar has been much improved on the poly track and her last win was over course and distance. She takes on stronger with a rating increase but can go in again. Mystic Dancer is back on her favourite surface and shows steady form. She should be at her peak now after returning from a break. Celestial Diamond needed her last run badly after a lengthy break. She has the widest draw and makes her poly track debut but she does look useful.

Ireland Forever may just have needed his last outing but was not far back. He makes his poly track debut but looks to be on the up. Little Boy Blue gets a first time tongue-tie and he has been consistent of late. Gallic Victor has run well on the poly track. He gets first time blinkers and drops back to a sprint.
