Stronger now. Nearly won in Maiden company at Wyong first-up last campaign while given some soft trial work for return. Untried in the wet. Can make his presence felt fresh in this company if he gets the breaks. Genesis Runner Trials (5:2-0-0). Has prepared with sound trials but looks up against it here. Awkward alley but look to betting for further clues. Declan Returns for second campaign (16-weeks). Indicated some potential placing at both his starts in first campaign. Competitive in both starts last prep and further aided by 2 trials. Has upside. Sent forward, whacked away for the minors 3yo Super Mdn at Gosford.
