**Race Preview:** Fire Chat Keeps racing well. Enough in the tank to grab a placing in the slosh Country Boosted Mdn this track. Good gate speed, soft draw. Rates highly in this affair. Distant Stripes Backing up quickly. Couldn't quite peg back winner in sloppy conditions at Albury. Right in this. Reds Express Did little in rain affected going (wide barrier) at Narrandera at first run for new trainer. Super fit from racing and sound claims. Sworntomymission Settled back and didn't come on at Narrandera at first run for new trainer. Strips fitter second run back. Placed only other time here. Capable of making an impact.

**Race Preview:** Noteabeel Showed good resolve to salute on debut at Corowa in a competitive finish. Brodie Loy retains the ride. Right in the mix again. Justenuffsplash Let-up (62-days). Sent out \$15 when unable to threaten at Wodonga second-up. Since trialled at Narrandera 13 Jun. Leads, handy and has upside. Can play a role fresh. Vainstream Backing up quickly. Durable old campaigner. Fair way from the winner but battled home into second at Nowra over this distance. Fits well against this opposition. Scoffa Every chance but compounded in sloppy conditions here at first run for new trainer. Drawn well and this is well within his wheelhouse. Will be fitter second-up. BM58 suits.

**Race Preview:** Watoto Went close at Wodonga 16 May. On pace but soon under pressure and he knocked up badly at Bendigo. Can lead or take a sit. Can forgive latest. Win prior at Wodonga was good. Cayman Island Handy, knuckled down with purpose on a soft deck at Albury. Shapes as a major player. Look Here Stationed off pace, picked them up smartly to salute this venue at first run for new trainer. Adept heavy/proven track. Pierre Boudvillain retains the ride. Will take stopping in this company. Hammett Canberra 3yo+ Plate (C1) placegetter 8 May. Never went on with the job at Canterbury. Drawn well. Winner this trip.

All the better and capable of making an impact if he gets the breaks. Rockabye Roxy Game effort at Sapphire Coast in rain affected going at first run for new trainer. Will benefit from that run. More a minor money chance here. Royal Overture Sound but non-threatening effort in soft going at Swan Hill in only her second race appearance. Only for exotics. Reinczech Trials (1:0-0-0). Finished 6th in Canberra Acton trial on 12 Jun. Pierre Boudvillain sticks from latest trial. Big watch on debut.

**Race Preview:** Hells Spirit Lining up for three wins on the trot. Just got there in a gripping finish at Albury over this trip. Excels on rain affected tracks. Right in this. Sablonneuse 4 weeks since last run. Ran on okay without troubling in rain affected ground at Warwick Farm. Likes it a touch firmer than latest. Stamina on trial here. Belnera Went close at Albury 15 May. Not disgraced in soft going at Corowa. Suited by the longer assignment now. Can challenge. Justifiably Great run at Albury 26 May. Settled midfield, lacked required acceleration this venue over this trip. Profiles well.

**Race Preview:** Screen Spirit Chasing hat-trick. Sent forward from the wide gate and slipped clear in choppy conditions to a decisive victory at Narrandera over this distance. Breaks from a low barrier. Likes the sting out. Jenni Divine Led, dug deep into her reserves but shaded late over 1300m in the F&M (Bm58) at Dubbo. Can lead or take a sit. Form sound at this course and journey. Profiles well. Made Easy Kicks off second campaign (28-weeks). Commanding winner at Wagga when fresh last campaign while prepared for return with a Wagga trial. Did a terrific job in his first campaign. Stamped ability with wins at Albury and Albury in first campaign. East Harlem First-up (17-weeks). Handy form when last seen. Can make his presence felt fresh in this line-up.
